

# 2010 CONFERENCE USA BASEBALL CHAMPIONSHIP SCHEDULE

## C-USA Championship Format

The 2010 Conference USA Championship features the top six teams in regular-season league play. The six are split into two three-team pools (or pods), with the winner of each pod playing in a single championship game. Teams are assigned pods based on seed, which is determined by the order of finish in regular-season conference play.

Each team is guaranteed to play three games. Teams in each pod play two teams in its pod and one team outside its pod. The team with the best composite record in each pod advances to the championship game. Two-way ties in a pod will be broken by head-to-head play. In case of a three-way tie, the highest seed will advance.

The higher seed is the home team in games on Days 1 and 3 and in the Championship Game; teams that were the visitors on Day 1 will be the home team on Day 2.

## Pods/Schedule of Play
