Cal Golf Opens State-of-the-Art Scoring Zone

In a huge boost for California's men's and women's golf programs, the Golden Bears opened their new scoring zone – the distance from 120 yards and in – at the Metropolitan Golf Links in Oakland last fall. The Cal athletic department would like to thank everyone who combined to contribute approximately \$580,000 to bring the project to fruition. The lead donors were Judy Isaac, Pat and Kent Newmark, Ellen and Joffa Dale, Lon and Becci Haskew and Jay deBenedetti.

The programs broke ground on the privately-funded project in 2006 after a long planning process. The two-and-a-half acre state-of-the-art scoring zone is conveniently located on the southwest corner of the Metropolitan Golf Links near the Oakland Airport. Built to United States Golf Association specifications, the facility features two extremely large greens – one for putting and chipping, and the other for the wedge game, including bunker play.

"Our facility encompasses just about any shot up to 120 yards. We can test our players regularly in any situation they may see in tournaments. The facility fosters a fun appreciation for these less glamorous shots. Our players are guaranteed that by the time they graduate they will realize that mastering shorter shots wins championships."

*- Nancy McDaniel
Cal women's golf head coach*
