

Filling out your renewal form? Please use the checklist below as a guide.

- 1. Review your name and address for accuracy.
- 2. If applicable, select UC grad/student-athlete boxes.
- 3. If you're interested in volunteering select the appropriate box.
- 4. Fill in or update demographic info, if necessary.
- 5. Verify your email address for accuracy.
- 6. Review your 2007-08 donation. If you were to maintain your current seats for football and/or men's basketball, your 2008-09 donation has been calculated for your convenience.
- 7. If you would like to maintain your existing seats, select the first box and write in your 2008-09 pledge amount in the box to the right.
- 8. If you wish to modify your current seats and are willing to increase or decrease your pledge please select the second box. We then encourage to you contact the UCATS office to schedule a time to review you seat options for 2008-09.
- 9. If you would like to give above and beyond the minimum ticket donation, please select the box and write in the additional pledge amount.
- 10. If you wish to give an additional (designated) gift to a specific program, please write in the program to which you wish to donate and your pledge amount.
- 11. Write in your total pledge for 2008-09.
- 12. Fill out payment information.
- 13. If you receive a matching gift, please select the box and indicate the company name.
- 14. Return renewal form in envelope provided.
- 15. If you have football tickets, please review enclosed renewal form.

Info you'll want to know for 2008

Want to keep your seats...you can

All UCATS members are given the right to retain their current seats if they meet the new minimum donation requirements established for their respective tier. It is important to note, we are not reseating Fifth Third Arena or Nippert Stadium.

Do any of these situations apply to you?

- 1) I would like to add additional priority season tickets for football and/or men's basketball beyond what I currently possess.
- 2) I would potentially increase my annual gift to improve my seats to a more desirable location than I currently possess.
- 3) I would like to decrease my annual gift amount and want to inquire about seat locations in a more affordable tier.

If any of the above cases apply to you, we invite you to call a UCATS representative at 1-877-55-UCATS.

NEW Seat Improvement Process

Telephone appointment times will be utilized to complete the seat improvement process. If you request an improvement, you will be notified in writing of the date and time you will be contacted. For football, seat improvements will begin June 2, 2008. For men's basketball, seat improvements begin Sept. 1, 2008. Appointment times will be assigned in priority points order. Seat improvement requests must be completed online at www.UCATS.net by April 30, 2008 in order to be considered.

NEW Ticket Limits Established

UC football ticket holders are still allowed to purchase up to eight (8) season tickets per membership. Additional season tickets may be purchased on a per seat basis. Men's basketball season ticket holders will be allowed to purchase four (4) season tickets. Exception apply for members of the Director's Society, George D. Smith Society, and donors with seats in Tier 6 (limit of 2). As with football, additional tickets may be purchased on a per seat basis, but would be in a lesser tier. Please see the charts on the back of this page for specific details.

Interested in a membership transfer?

For the 2008-09 campaign year, the UCATS staff will work on a case-by-case basis to encourage the "surfacing" of known partners. We will also work with current members of record to allow for the transfer of a membership/tickets to an individual that may or may not be an immediate family member. **This will be a one-time opportunity (2008-09) as we recognize changes in our pricing models may create the desire to transfer memberships.** We would still require the designated member begin his/her own priority points and that he/she contribute the required minimum for the tickets based on the seating location. Please contact the UCATS office at 1-877-55-UCATS if you would like more information on membership transfer opportunities.

Parking Changes

As we look to improve gameday parking and traffic issues, season parking passes for the 2008-09 football and men's basketball seasons will now be assigned to designated lots on campus. UCATS members and season ticket holders will have the opportunity to request their desired parking locations. Passes will be allocated based upon the priority points system. A reduced price will be offered for a season pass versus gameday pricing. For additional information on parking please contact the UC Athletics Ticket Office at 1-877-CATS-TIX.
