1100 Club Membership

Annual members in the 1100 Club are those who give $1,100 or more each year to the Football Championship Fund.

Membership is based on a 12-month period in conjunction with the university’s fiscal year. Each membership year will begin on July 1 and expire on June 30.

- To become an immediate member for the upcoming season, your gift or pledge must be received on or before June 30.
- Your membership gift may be pledged over a 12-month period to make contributing more convenient.

Members can make monthly, quarterly, semi-annual or annual payments. Important note: the sum of $1,100 must be received in full by June 30.

Please note that receiving renewals prior to the June 30 deadline is extremely crucial to the financial budget for the upcoming season. It helps us determine what funds are available as we compete for a championship.

Also, making your commitment before the deadline will ensure that you take full advantage of all the benefits our club has to offer.
