CENTRAL MICHIGAN ATHLETICS

FALL 2015 ACADEMIC REPORT

Students embrace Exam Jam

Kristen Knutson, a senior on the Central Michigan women's soccer team, had an idea to give student-athletes a quiet, supportive place to study for final exams.

Knutson hatched Exam Jam, an all-day event Dec. 13 at the Dick Enberg Academic Center at the Indoor Athletic Complex.

Knutson's idea drew an enthusiastic endorsement of Student-Athlete Services. The event was conducted on a Sunday, and more than 250 student-athletes visited the academic center to study, eat and take an occasional break.

"That was a great number," Knutson said of the turnout. "We have about 450 student-athletes, and to get that many on the night before finals week was pretty awesome.

"Everybody had a blast; got some good studying done and had fun while they were doing it. We went through 20 boxes of pizza."
