Athletic Training Department
Policy and Procedure Manual
*Catastrophic Injury Management***

Revised/Reviewed 10/2012

INTRODUCTION:

Definition of a Catastrophic Incident:

1. Sudden Death of a student-athlete, coach, and/or Athletic Department staff member.
2. Disability/Quality of Life Altering injury/illness including, but not limited to:
 - Spinal cord injury resulting in partial or complete paralysis;
 - Loss of paired organ;
 - Severe head injury;
 - Injuries/illnesses resulting in severely diminished mental capacity or other neurological injury that results in an inability to perform daily functions (e.g. coma); and
 - Irrecoverable loss of speech, hearing (both ears), sight (both eyes), or one or both arm(s) and/or leg(s).
3. Other incident as deemed appropriate.

Catastrophic Incident Management Team (CIMT):

- Hunter Yurachek, Director of Athletics or designee
- Winston McIver, MD, Athletic Medical Director
- Richard Ward, MD Senior Team Physician
- Thomas Chambers, MD Team Physician
- Dwayne Beam, ATC, Asst. AD/Sports Performance
- Jeff Pounds, ATC, Director of Athletic Training
- Appropriate Coastal Carolina University team Athletic Trainer
- Coastal Carolina University Head Coach
- Mike Cawood, Associate Athletic Director/Media Relations
- Rose Marie Johnson, Director of Risk Management
- Samantha Kost, Assoc. AD, Academics
- Coastal Carolina University Counseling Services

Other Appropriate Personnel:

- Bruce Gregory, Senior Associate Athletic Director/Internal Operations
- Cari Rosiek, Associate Athletic Director/SWA
- Lauren Ashman, Asst. AD/Compliance
- AraLeigh Beam, Assistant Director of Compliance

The Policy of Coastal Carolina University Department of Athletics with regards to a student-athlete who has sustained a catastrophic injury shall be:

Practices/Games - Home/Away

1. The Coastal Carolina University Athletic Training emergency action plan with regards to all practices and/or games at home and/or away will be followed.
2. Coastal Carolina University Athletic Training personnel, a member of the coaching staff, and/or a member of the Coastal Carolina University Department of Athletics will accompany the injured student-athlete to the medical facility with the injured student-athlete's emergency medical/insurance information.
 - Once at medical facility, the designated individual will call the Coastal Carolina University certified athletic trainer with any medical updates.
3. Coastal Carolina University certified athletic trainer will immediately call Dwayne Beam, Asst. AD/Sports Performance (843-997-3618) or his designee (if applicable) to notify him/her of the emergency situation.
 - The Asst. AD/Sports Performance or his designee will immediately notify the Team Physician (if not already aware of the situation) and the Director of Athletics to notify them of the emergency situation, and will keep all designated parties updated at regular intervals.
 - The Director of Athletics and/or designee will contact other Athletic Department and University administrative personnel as he/she deems necessary.
4. The Asst. AD/Sports Performance and/or his designee and/or other Athletic Department personnel will make every effort possible to notify the injured student-athlete's family/next of kin of the emergency situation.
 - The Asst. AD/Sports Performance or his designee will continue to communicate with the injured student-athlete's family/next of kin and will provide medical updates as available.
 - The Director of Athletics or his designee will assign a member of the Coastal Carolina University Department of Athletics staff to assist with travel and lodging arrangements for the injured student-athlete's family, be with the family at all times upon arrival, assist the family as needed, and protect them from outside persons.
5. At the conclusion of the game/practice, the team physician and/or his designee (if available), the Asst. AD/Sports Performance or his designee, the head coach, and the Director of Athletics and/or his designee will update the team in the locker room as to the injured student-athlete's condition.
 - All team and department personnel will be strongly cautioned to not speak with the press/media regarding the injured student-athlete and/or the emergency situation and to refer all media inquiries to Mike Cawood, Associate AD/Media Relations and/or his designee.
6. The team physician, the Asst. AD/Sports Performance and/or his designee, the Director of Athletics and/or his designee, and other appropriate personnel will proceed to the medical facility as soon as possible.
7. Once the student-athlete's family/next of kin has been notified of the emergency situation and gives its consent, the Team Physician(s) and Director of Athletics and/or his designee, in consultation with medical personnel from the facility, a member of the University Media Relations Department, the University President's Office/ Risk Management, and the Asst.

AD/Sports Performance or his designee, will make a statement concerning the injured student-athlete to be released to the press/media.

- The Media Relations Department IS NOT authorized to release information concerning the situation to any member of the press/media until the student-athlete's family/next of kin has been notified, has given consent, and the Team Physician, the University President's Office/Risk Management (if applicable), and Director of Athletics and/or his designee have approved and authorized the statement.
 - The Team Physician and the Director of Athletics and/or his designee, in consultation with medical personnel at the medical facility, the student-athlete's family/next of kin, the University President's Office/Risk Management, and Coastal Carolina University Media Relations Department will be official spokespersons regarding the injured student-athlete and the emergency situation.
 - At no time is anyone besides the aforementioned personnel authorized to speak to anyone concerning the injured student-athlete.
8. Coastal Carolina University Athletic Training personnel and/or other appropriate personnel will be responsible for arranging a private meeting space for all team and University personnel at the medical facility.
- It is the responsibility of the Coastal Carolina University Media Relations Department to see that all press/media are kept a safe distance from the private meeting space and do not "harass" team or University personnel in or around the medical facility, if applicable.
9. Coastal Carolina University Athletic Training personnel will be responsible for contacting authorities at the medical facility and at Coastal Carolina University for the purpose of arranging psychiatrists, psychologists, chaplains, grief counselors, etc. for the use of all team and University personnel.
10. The Asst. AD/Sports Performance and/or his designee will be responsible for the following:
- Compiling complete documentation of events from everyone involved in the incident with signatures;
 - Constructing a detailed time line of events related to the incident; and
 - Collecting and securing all equipment/materials involved in the incident
