

Dear Moms of Colorado,

Mothers continuously provide support, motivation, and undying love to their families. Mothers with kids in youth sports take that support to another level by transporting their kids to practice and games, making sure uniforms and equipment are neat and ready for action, and providing those all-important hugs after the game, win or lose. Colorado State Athletics and Rams men's basketball would like to thank mothers all over Colorado for the outstanding effort and love that they give on a daily basis with a special night at Moby Arena.

Join us as we share our appreciation for mothers everywhere and cheer on the Rams as they take on the 17th ranked BYU Cougars at Moby Arena on Wednesday, February 17th. Bring the voucher below to the Moby Arena box office and receive a free ticket for mom when you purchase two or more tickets (adult and/or youth). Order by February 15th and receive a voucher for a **FREE** soda at the game. Special prizes will be given to moms throughout the game. Let's make Mom's Night at Moby a fantastic event!

Thank you moms and Go Rams!
