- **A full closure of Shields Street (south of Elizabeth) will be required from February 25 – March 19, 2017:**
 - * **Business accesses will be open and signed accordingly**
 - * **The Moby driveway at Elizabeth will be open**
 - * **Detour routes will be signed along Prospect, College, Mulberry, and Taft Hill**
 - * **Bicycle and pedestrian crossings of Shields Street will be accommodated at the intersection with Elizabeth during this phase**
- **Various lane closures can be expected on Elizabeth, west of Shields from February – August 2017**
- **Allow for extra travel time in and around the intersection during construction. Speeds will be slower with more congestion in the area**

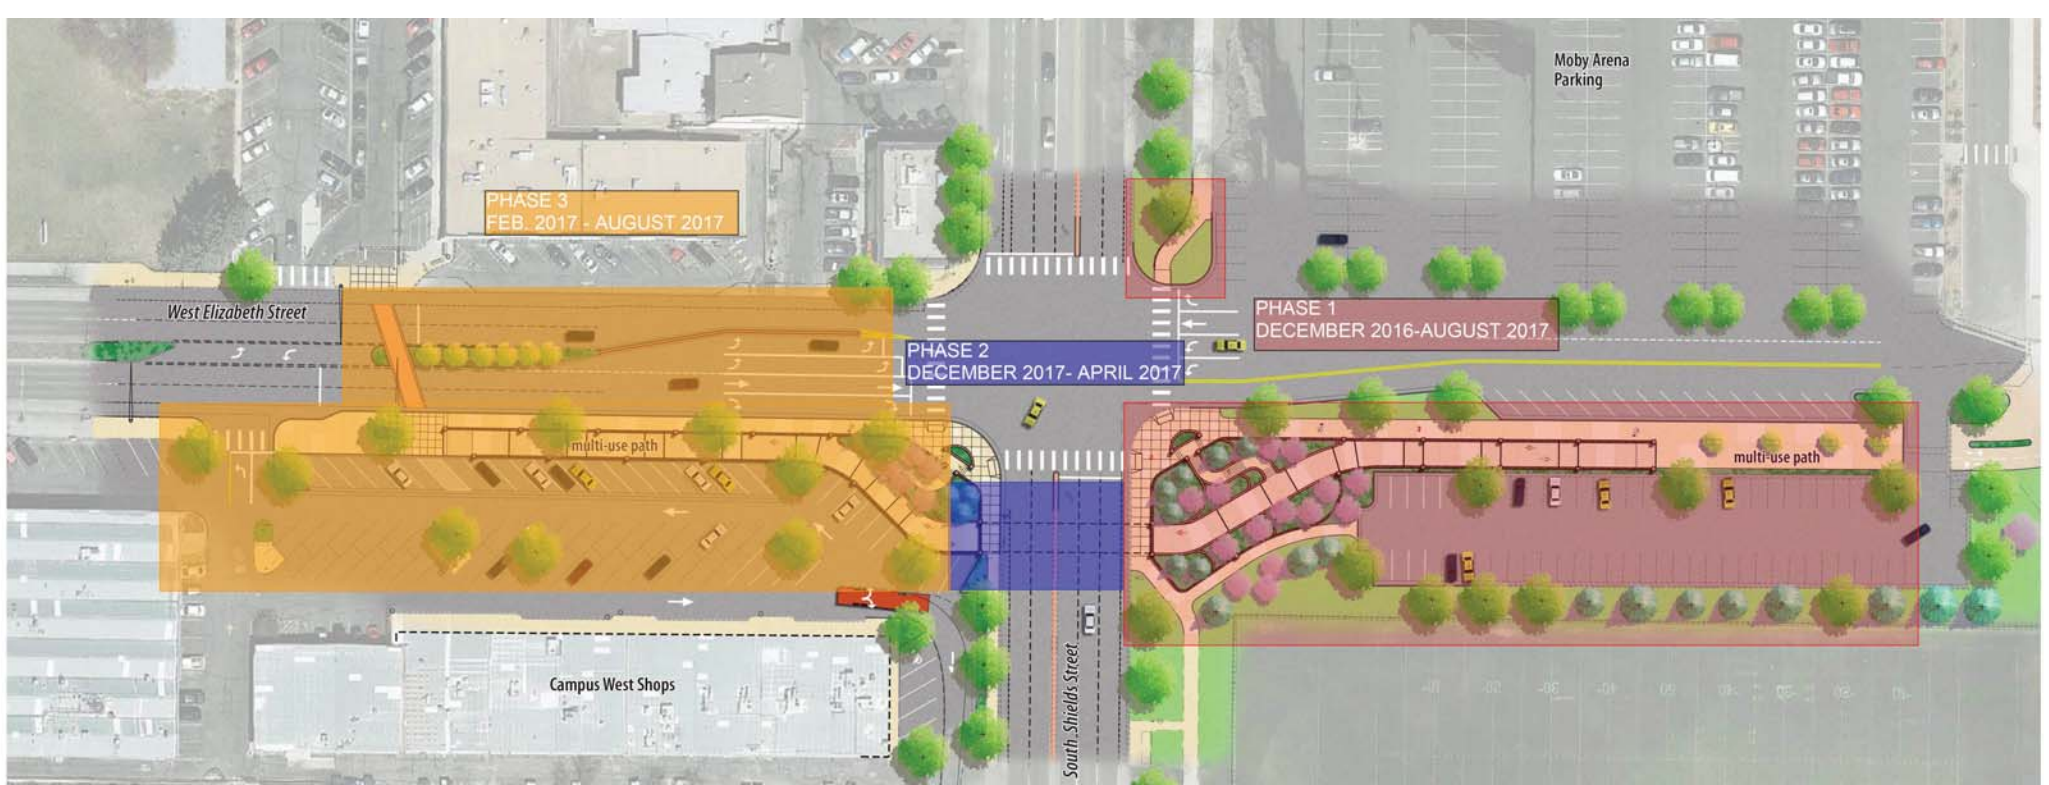

What we are working on:

- **Coordinating this construction project with other work occurring on and along the perimeter of the CSU campus**
- **Managing signal timing and congestion along the arterial street detour routes**
- **Deterring neighborhood cut-through traffic**
- **Communication and public outreach open houses, mailers, and social media updates**
- **Getting this project completed prior to Fall 2017 CSU move-in day and the start of city-wide schools**
