Stadium Advisory Group (SAG) is an appointed body of engaged citizens serving as community liaisons under the Stadium Intergovernmental Agreement between the City of Fort Collins and Colorado State University.

SAG's role is to examine the impacts of an on-campus stadium and offer recommendations regarding those impacts and use of the Good Neighbor Fund in assisting local residents. The fund was established as part of the Intergovernmental Agreement to help mitigate game day impacts on neighborhoods adjacent to the stadium. SAG is accepting ideas for projects to fund.
