

# RAM MASTERS

The Ram Masters is committed to the growth and development of the Colorado State University men's golf program. The support that the Colorado State University Ram Masters is able to provide combines with Athletics Department support to allow CSU men's golf to be competitive at the highest levels of collegiate golf. We invite you to join us in providing support so that the team can achieve its long-term goals.

Matching gifts are offered by numerous companies and can double or triple an employee's contribution. You will receive credit for your matching gift. Check your company's participation and enable its matching gift with your check.

# THE COLORADO STATE RAMS

During the past decade, Colorado State men's golf team members have excelled in both the classroom and on the golf course. A critical factor in this success has been the Ram Masters, which provided funding for scholarship aid, team travel, equipment, and other program expenses. In order to move men's golf to the elite level of NCAA Division I schools, we developed and launched a new strategy in 2006. The plan included new levels of giving that provided additional resources for the team to compete at the highest level of collegiate golf. Please join us in our continued journey to excellence.
