ATLANTIC 10 CONFERENCE

On March 2, 1975, the idea of what is now the Atlantic 10 Conference was conceived. What started as an eight-school, men's basketball-only affiliation has grown into a 14-university, 21-sport league that is universally hailed as one of the best conferences in the country.

That growth and prominence is a direct result of the ideals and commitments of the member institutions of the Atlantic 10. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Temple University, and Xavier University have formed the foundation of the Atlantic 10 - a foundation which is further strengthened this season with the additions of the University of North Carolina at Charlotte and Saint Louis University.

In 2005-06, the Atlantic 10 Conference celebrates it's 30th anniversary season. Although anniversaries are a good time to reflect, this anniversary is a celebration of the future as much as the past.

"It is with pride that we look back at our accomplishments and see how far this league has truly come," says A-10 commissioner Linda Bruno, who begins her 12th season at the helm of the league - the longest tenure of any commissioner in the Conference's history. "More importantly, however, the additions of Charlotte and Saint Louis ensure that the future is brighter than it has ever been. We are adding two members who will greatly enhance the national profile of all our sports and expose our programs to two new markets in which our universities actively recruit. The A-10 has never been as strong as it is now."

The Atlantic 10 Conference, which spans eight states and the District of Columbia with a total population of almost 73 million people, will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

The genesis of this tradition of success can be traced to March 2, 1975, when eight university representatives met in Harrisburg, PA, to discuss the formation of a new collegiate basketball association. A similar meeting was also held on May 23 of that year, with the final formation of the Eastern Collegiate Basketball League announced on August 13, 1975. The NCAA granted allied affiliation status upon the ECBL on October 15, 1975, and granted the league an automatic berth to the NCAA Tournament on June 17, 1976.

The ECBL began operation at the start of the 1976-77 season with Duquesne, George Washington, Massachusetts, Penn State, Pittsburgh, Rutgers, Villanova, and West Virginia as its charter members. Several changes happened quickly in the ECBL, the first coming in 1977-78 when the league changed its name to the Eastern Athletic Association - better known as the Eastern 8 - to reflect its changing mission. That year, the Eastern 8 became more than a basketball league as the men's sports of baseball, cross country, golf, swimming, and tennis were added to the championship schedule.

The next major change came in 1981 when the office of the commissioner was instituted. Leland Byrd, who had served as president and executive director of the league since its inception, as well as athletic director at West Virginia, was named the Conference's first commissioner and established the commissioner's office in Pittsburgh. Byrd guided the Eastern 8 through several membership changes as Rhode Island, St. Bonaventure, Saint Joseph's, and Temple replaced Pittsburgh and Villanova.

After membership stabilized, the Eastern 8 transformed into the Atlantic 10 Conference with Byrd orchestrating the drive to make the league more broad-based as the women's sports of basketball, gymnastics, softball, tennis, and volleyball were added to the championship slate.

In May 1984, Byrd resigned as commissioner and was replaced by Charlie Theokas, who remained at the Atlantic 10 for 15 and a half months, bringing the league to national consciousness with his "Think Atlantic 10" campaign. On December 31, 1985, Theokas resigned to accept the athletic director's position at Temple and was replaced by Ron Bertovich, who officially assumed the commissioner's position in May 1986 after serving as interim commissioner following Theokas' departure. In eight years as commissioner, Bertovich expanded the Conference staff to better meet the growing needs of the membership and established the Atlantic 10 Television Network, which has developed into a major regional outlet and has won three Emmy Awards. In addition, he oversaw further membership changes as Xavier was added to the league while Penn State, Rutgers, and West Virginia departed. Furthermore, he continued the league's emphasis on broad-based programs as the Atlantic 10 expanded its championship list with the additions of women's cross country, field hockey, men's and women's soccer, women's swimming & diving, and men's and women's indoor track & field, as well as the reinstatement of men's swimming & diving.

On April 13, 1994, Bertovich resigned his position to accept the job of vice president and general manager of Empire Sports Network in Buffalo. On June 14, 1994, Linda Bruno was officially introduced as the Atlantic 10's fourth commissioner. As commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Charlotte, Dayton, Fordham, La Salle, Richmond, and Saint Louis. She also negotiated television deals with ESPN and was among the first to sign a contract with College Sports Television, which provides greater exposure for the Atlantic 10's athletic programs. Under her leadership, the Atlantic 10 has increased its championship schedule to 21 sports with the additions of women's rowing, men's and women's outdoor track & field, and women's lacrosse. In 1997, Bruno also spearheaded the league's entrance into Division I football with the formation of the Atlantic 10 Football Conference, which has won three national titles in its eight-year existence. In addition, in an effort to recognize the athletic and academic achievements of all student-athletes, Bruno instituted the Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.5 gpa or better.
