Includes known information only.

Known years: 1973, 1974, 1984, 1986-present (players), 1988-present (goalkeepers)

Italics indicates that not all assists or games are known. If a career goal total is known, but no assist total, points reflect only known points. Games Played would reflect total team games during their career at UD if individual games played are not known.

The All-Time Roster and statistics is part of an on-going project to preserve the history of UD Soccer. The All-Time Roster includes known letterwinners, unless otherwise noted. UD Athletics Communication would like to thank former coaches, staff and sports information directors, including former coach John Schleppe, for their tremendous contributions to this project.

If you have any information about the history of UD soccer, please call UD Athletics Communication at (937) 229-4460.
