These men and women have been recognized for their athletic accomplishments while at Duquesne as well as for the success they have achieved in life.

You are invited to nominate a deserving Duke to join these outstanding performers.

Nominees for the 2008 Hall of Fame must meet the following criteria:

- *Competed for at least one full season in a sport at Duquesne University*
- *Completed their career at the University a minimum of five years before their time of nomination (prior to 2003).*

In addition to athletes, the selection committee will also consider nominees who have made significant contributions to the Athletics Department in non-playing capacities.

**Deadline for nominations is August 8, 2008.**
