Players will have training sessions, play small-sided and full-sided games while being evaluated by the Duquesne University's Soccer Staff.

### **Team Training (Available upon request)**

Team Training is available on a first-come-first-serve basis. The focus with Team Training is to incorporate a progression from technical to tactical development on a specific topic that culminates with a game at the end of the 90 minute session. Email the Camp Director Jake Ouimet for more details on dates, times and pricing.

## Camp Objective

We use positive and dynamic training methods to create a fun learning environment to promote player development. Our goal is to instill a passion for the game that will last a lifetime. We challenge players at their ability level while building their confidence to aspire to higher levels of play.
