The 2005-06 East Carolina Basketball Media Guide is a publication of the ECU athletic media relations office. We look forward to assisting you in coverage of Pirate basketball and hope you find this guide useful throughout the year. We’re also very excited about meeting our new colleagues throughout Conference USA and bid all welcome to the league.

**Credential Requests**

Credentials for East Carolina home basketball games are for working media only and are issued on a priority basis. Credentials should be requested as early as possible. Requests from weekly newspapers and radio stations will be accepted only from those attending the game in a working capacity and will be filled on a space available basis. Credential requests should be made through the ECU Media Relations Office. Requests should be sent in writing on company letterhead to the ECU Media Relations Office (FAX: (252) 328-4528). Spouses, dates and nonworkers are not permitted along press row. Credentials will be mailed if time permits, otherwise they will be left at the Will-Call window at the front of Minges Coliseum.

**Photographers**

Photographer credentials are limited. Accredited photographers may work along the baseline at either end of the court in the designated areas. No photographers will be allowed to shoot in front of the scorer’s table, press row, behind the team benches or from the stands. The platform atop the south side of Williams Arena is reserved exclusively for team videographers and network television cameras. Photographers must be sitting or kneeling in the end zone areas at all times.

**Covering Practice**

East Carolina practices are closed to the media and public. Media desiring to conduct coach or player interviews before or after a practice session should contact the ECU Media Relations Office at least 24 hours in advance. Photographers shooting practice are asked to remain off the court and away from the vicinity of workouts.

**Internet Guidelines**

Information with regards to East Carolina basketball can be found at “www.ecupirates.com.” Pregame releases, statistics, coach and player biographies will be posted to this site. With the recent growth of the internet the following procedures have been put into place for both the issuing of credentials and allowing access to practice and interviews:

- Online media will not be granted requests for credentials and/or interviews with the exception of web sites that are officially affiliated with participating universities, conference, the NCAA, or established and recognized traditional media outlets.
- No online service, without approval from the ECU athletic media relations office, will be allowed to cybercast or transmit in “real-time” any East Carolina University athletic event. Those rights belong to the university, Conference USA and the Pirate Sports Network.
- The ECU athletic media relations office reserves the right to revoke or deny working media credentials to any individual or organization at any time for any reason. All credentials are property of East Carolina University and must be surrendered upon requests.
- Any requests placed less than 24 hours prior to the game may not be honored.

**Interviews**

For an interview with ECU head coach Ricky Stokes and/or players, media should request interviews through the ECU Media Relations Office. Interviews with Coach Stokes may also be made through the basketball office. Coach Stokes’ secretary, will assist you in this endeavor. Request for player interviews must be made 24 hours in advance with the media relations office. Media making short notice request may be denied interviews. ECU players will not be available for interviews on the day of the game until the conclusion of the game.

Phone numbers of student-athletes will not be given out and media are not to call ECU student-athletes directly.

ECU head coach Ricky Stokes is often available at the “shoot around” if notified by the media relations office.

**Game Services**

Pregame statistics, game notes and roster cards are provided prior to tipoff. A play-by-play and final statistics are included in the postgame booklets. Pregame notes and coaches quotes will also be distributed. Complete stat books will be available to media after the completion of each contest. Statistical monitors will be provided to television and radio broadcasts based on availability. A fax machine is located in the media work room.

**Parking**

Media parking is located in the lower Minges lot. Entry to the lot is off Charles St. and onto Ficklen Drive. Parking is on a first-come, first-serve basis, and no passes are required to park in this lot.
Conference USA head coaches will be featured in a weekly teleconference starting at 11 a.m. EST during the 2005-06 season. The calls will be held every Monday, beginning January 9 with the final call on March 6 prior to the start of the conference tournament. Media wishing to participate in the conference should contact the conference office to obtain the access telephone number and passcode. Times listed eastern standard.

Postgame Interviews
