**Tulane Greenwave vs. East Carolina Pirates**  
**Nov. 24, 2007 • Dowdy-Ficklen Stadium • 1 p.m.**

Tulane Head Coach: Bob Toledo

Thoughts on the game:

"East Carolina is very big and very fast. They are a very talented football team, and I think all in all we played as hard as we could. We didn't take advantage of some opportunities that we had, and we didn't sustain any drives in offense, and defense we just missed a lot of tackles. Chris Johnson is a great player. He is really fast."

"We had balls knocked down at the line of scrimmage. We had balls that were dropped, and we missed some blocks. We missed some big plays at the beginning which set us back."

Thoughts on next season:

"I've seen our team grow this season. I think we have a lot of nice things to look forward to in the future. I'm looking forward to recruiting next week, and bringing some new football players to this team. I'm looking forward to the off-season to building up this football team."
