2010-11 SEASON RECAP

When Kevin Williams was asked to head up the women's golf program at East Carolina back in Nov. of 1999, he knew then it wouldn't take long for the Pirates to become competitive on the links. Eleven months after the announcement, Williams guided the Pirates to their first ever team title in just three events at the 2000 Lady Pirate Fall Intercollegiate.

Fast forward to 2010 and the Pirates are still winning team titles, to the tune of at least one a year since the program's inception. During its first event of the fall season, ECU (39-15-1) took home its 19th team crown at the rain-shorten UNCG Starmount Fall Classic. Senior Amber Littman led the way with a five-over 147 for a fifth place finish and took home her third career Conference USA Golfer-of-the-Week honors. True freshman Fanny Wolte (t8th) and redshirt freshman Faith Hardison (t20th) made their collegiate debuts posting top-20 placements, while junior Amy Otteson added an eighth place finish.

After a seventh place finish at the Windy City Collegiate Championships in Highland Park, Ill., the 47th-ranked Pirates returned home for their annual Lady Pirate Intercollegiate event where they hosted 15 teams. ECU finished second with a 54-hole score of 881, just five strokes behind Maryland. Wolte carded a personal-best 217 and took home all-tournament honors after collecting her first career top-3 finish. Littman was once again solid finishing seventh, while Otteson claimed a share of eighth place and Hardison posted her first career top-10 placement.

In its final event of the fall season, ECU headed out west to compete in the Las Vegas Collegiate Showdown, where they were one of 11 squads in the 17-team field ranked in GolfWeek's top-50. After a sluggish opening round 304, they bounced back to card a school-record 10-under par 278, besting the old record by five strokes. Otteson recorded the best round of the day with her personal and school record seven-under 65, but would finish tied for 45th at tournaments close. Littman continued her solid play notching her fourth top-20 finish of the fall, three in the top-10, with a share of sixth place.

Following a near three month absence from competitive competition at the conclusion of the fall season, the Pirates opened the spring with a disappointing 14th place finish at the UCF Challenge. Littman claimed a share of 16th place to top the Pirates squad and ranked among the tournament leaders in par-4 and par-5 scoring as well as recording nine birdies.

After picking up its fourth top-5 finish of the season at the Kinderlou Forest Challenge, ECU recorded its second tournament title of the season at the Barefoot at The Beach Invitational behind a three-day total of 891 (292-294-305). Four Pirates placed in the top-20 with Wolte claiming medalist honors with a career-low score of 214 (69-75-70) ultimately leading to C-USA Golfer-of-the-Week accolades. Otteson (third) and Colleen Estes (t6th) recorded career-best finishes, while Littman posted her sixth top-20 placement of the season.

The Pirates continued their stellar play recording a second-place finish at JMU Eagle Landing. Otteson paced ECU with a career-low two-over par 218 (75-71-72) finishing fifth, the second of her three-straight top-5 placements. Estes was playing a better brand of golf entering final round action tied for second, but dropped to a share of 17th after a six-over 78 in final round action for her third-straight top-20 placement.

At the rain soaked UNCW Lady Seahawk Classic, Williams guided his squad to their third team title of the season with a two-day score of 603 (294-309). Wolte picked up her second individual title of her rookie season with a four-over 148 (73-75). Joining Wolte with top-10 finishes were Otteson (fourth), Littman (sixth) and Estes (t7th).

With the regular season over, ECU turned its focus to the C-USA Championships in Gulf Shores, Ala. and the league's automatic bid the NCAA Championships. Finishing no worse than third place in its last

five C-USA Championship appearances, the Pirates just could not put together a complete round and finished in seventh with a three-day score of 929 (309-306-302). Otteson and Wolte finished tied for 15th with scores of 229 (13-over), while Estes and Littman took home a share of 21st (231/15-over).

A trio of Pirates earned All C-USA honors following the 2011 championships. Wolte, the 2011 Freshman-of-the-Year, was named first-team. Littman earned her third consecutive all-conference designation with second-team accolades, Otteson took home third-team honors.

FOUR-STRAIGHT NCAA APPEARANCES

The Lady Pirates, who earned their fourth-straight at-large bid, were chosen as the No. 19 seed in the Central Regional, which will be held at the Warren Golf Course in Notre Dame, Ind. May 5-7.

The Central Regional is one of three regional tournaments which will be held to determine the championships field. Regional tournaments are considered preliminary rounds of NCAA championships competition, and all national championships policies will apply.

A total of 378 participants have been selected for the regional competition. Of these players, 126 will advance to the championships finals May 18-21 at the Traditions Club in Bryan Texas and will be hosted by Texas A&M University, College Station. Eight teams and two individuals will advance from each region.

The Lady Pirates (92-39-2), in its 11th year of existence, will make their seventh team appearance in the NCAA Championships. During the 2002-03 season, ECU garnered a No. 12 seed in the East Regional in Winston-Salem, N.C. finishing tied for 14th. The Pirates were a 15 seed during the 2004-05 campaign in Gainesville, Fla. finishing in 17th.

Former Pirate Adrienne Millican participated in the NCAA Championships as an individual in 2004 placing in a tie for 34th out of 126 golfers, while Lene Krog represented the Pirates at the championships as an individual in 2007 before withdrawing due to an injury after 36 holes.

After claiming its first Conference USA Championship in the spring of 2006, the Pirates earned an automatic bid to the East Regional heading to Greensboro, N.C. as the No. 20 seed and finished tied for 19th. The following year the Pirates returned as a team with a No. 13 ranking in the East Regional where they finished 12th of 24 teams in Athens, Ga.

In 2009, ECU narrowly missed making its first ever NCAA Championship appearance, falling two strokes out of eighth place in Gainesville, Fla. posting a three-day score of 892 (283-313-296) where the Pirates led after the first day of competition.

Last year the Pirates garnered a 20th seed in the East Regional, which was played in their own back yard at the Ironwood Country Club. ECU finished 12th out of 24 teams shooting a tournament score of 895 (293-305-297).

The selection to the 2010-11 Regional marks the first time ECU has received four consecutive at-large bids and it's the ninth-straight season where the Pirates will be represented in the NCAA Regionals.

"I'm very excited for this team," said Head Coach Kevin William. "This was our goal all season and for this senior class to become the first in school history to participate in four-straight NCAA Regionals is amazing. It's a great reward for our team that worked so hard all year and we're anxious to go up north and compete for our first NCAA Championship."
