FAYETTEVILLE STATE
UNIVERSITY

Dear Friend of FSU Athletics:

It is my goal to make Fayetteville State University superior in the CIAA. The FSU Department of Athletics seeks to foster the academic accomplishments of FSU by attracting and retaining students who will add their talent and character to the University.

Student-athletes will be given the opportunity to participate in athletic programs while achieving academic success. The Department's activities will reflect a commitment to the University's educational mission of preparing students academically, professionally, and socially.

Through fund-raising initiatives, the 1,000 Broncos Campaign is a campaign to raise \$1 million to fund student-athlete scholarships. Made up of enthusiastic and loyal FSU supporters, the Bronco Stampede funds will assist the operating budget of FSU's 11-sport program in the area of scholarships. FSU seeks to achieve and sustain excellence in intercollegiate athletics. With your support, we can ensure that student athletes receive the best possible educational experience that will last a lifetime.

Our student-athletes, coaches and administrative staff are dedicated to excellence on and off the fields of competition. This Athletic Department, under my direction, will continue to serve as a positive focal point for the greater university, community, alumni and fans. Thank you for your support and I challenge you to help Bronco Athletics reach new heights.

"Res Non Verba (Deeds Not Words)"

Yours in truth and service,

Dr. Edward McLean
Director of Athletics
