We are going to have a great summer and hope you will come join my staff and I for the second annual Fresno State University Team Camp. You will have the opportunity to compete against the best high school teams in the state of California and throughout the Western United States. Our team camp will be one of the best in the country. We will provide very competitive games that will help you during your season. Our brand new state of the art air conditioned facility will be a great team camp setting. The goal is to provide a first class basketball atmosphere for you and your team. I am looking forward to talking basketball with you and watch your team compete this summer. Hope you will join us!

Sincerely,

Steve Cleveland
