Location: Fresno State Soccer Field
1620 E Bulldog Ln.
(next to Football Stadium)

Session 1 – 9.30-11.30pm

Players will be grouped and taken through a typical Fresno State training session. The Fresno State Coaching Staff will address both offensive and defensive themes within the session which will be designed to develop each player's skills regardless of their position.

Session 2 – 12.30-2.30pm

Players will be split into teams and will play a number of small-sided games in order to practice the techniques and tactics learned within the earlier session. The coaching staff will use these games as a learning tool to illustrate the themes in real game situations.

What to Bring:

- Cleats and running shoes
- Waterbottle (water provided)
- Shinguards

**Athletic campus tour and College Q+A available on request after second session.*

Goalkeepers

Goalkeepers will take part in a technical training session to begin Session 1 before becoming involved with the field players to work on technical and tactical skills in live situations. They will compete in the games during Session 2. The Goalkeepers will receive coaching and feedback from the Fresno State Coaching staff throughout the technical and game situations.
