

Florida State University Interest Sheet

Dear Coach:

As you make plans for the upcoming track and field season, three time defending National Champions, Florida State University, would like you to consider three meets we are planning for the 2009 season.

We will start the season with FSU Relays on March 26, 27, & 28. Then in April we host the Seminole Invitational on April 10-11. We will conclude our home season with the Seminole Twilight meet on May 8-9. We have several hotels where you could book your team's stay. Try the Hampton Inn (850-562-4300) or Cabot Lodge (850-386-8880) near I-10 on N Monroe St., the Double Tree (850-224-5000) downtown, or the Courtyard by Marriot on Appalachee Parkway (850-222-8822). All our meets welcome open competitors.

If you are interested in attending any of these meets or receiving more information about them, then please complete and return the bottom portion of this form. Have a great season.

Sincerely,

FSU Men's and Women's Track and Field Staff

Interest Reply Form

Please put a check next to anything you would like to receive information on.
