Seminole Quick Hits

* Florida State is one of 11 teams in Division I with 13 or more victories on the year. Four of those teams hail from the ACC including Duke, FSU, Georgia Tech and Virginia.

* For the third time in the Mike Martin era and for the fifth time in the 61-year history of Florida State baseball, the Seminoles started a season at 12-0.

* Freshman Mike McGee and senior Dennis Guinn were named ACC Player of the Week the first two weeks of the season.

* The Seminoles have hit 23 home runs through the first 14 games of the season. To put that number in prospective, it wasn't until game No. 33 of the 2007 season that the Seminoles hit their 23rd home run. Eleven different Seminoles have registered a home run this year while six different Seminoles hit a round tripper in the first game of a doubleheader against Duquesne to open the season. It was the first time since May 4, 2007 at Maryland that FSU hit six home runs in one game.

* Head coach Mike Martin is just three wins shy of becoming the third Division I coach in NCAA history to reach 1,500 career victories.

* Florida State enters the season looking to build off last year's 24-6 league mark and its first ACC Atlantic Division title. The Seminoles have averaged just over 50 wins since 2000 and will chase their 31st consecutive NCAA Regional appearance in 2008, the second longest streak in the nation.

* Former Seminole shortstop and head coach Dick Howser was among the list of 12 inductees to the 2008 College Baseball Hall of Fame as announced in March.

* The Seminoles currently lead the ACC in hitting with a .359 mark. The Garnet & Gold have collected 170 hits in 473 at-bats. FSU set the school and league record in team batting average hitting .350 last year. Through 14 games last year, FSU was hitting .404.

Florida State vs. Georgia Tech

Florida State and Georgia Tech square-off for a three-game series in the second week of conference play for both teams. The Seminoles lead the all-time series 59-37 including a mark of 32-16 on their home turf. FSU snapped an eight-game losing streak to the Yellow Jackets by sweeping a three-game set in Atlanta to wrap-up the regular season last year. Despite losing all three games a season ago, Georgia Tech has won 14 of the last 20 games against the Seminoles. This marks the ninth series played in Tallahassee since FSU joined the league in 1992 with the Seminoles taking five of the first eight. The Jackets have won six straight inside Dick Howser Stadium with the last home victory for Florida State coming on April 21, 2002. Five of the last six series have been a result of a three-game sweep with FSU claiming two (2002 and 2007).

Last year, the Seminoles outscored the Yellow Jackets 44-15 pounding out 41 hits while hitting .351 as a team. Defensively, the Garnet and Gold posted a team fielding percentage of .973 while the pitching staff did its job posting a 3.67 ERA in 27 innings of work.

Against The Yellow Jackets

Jason Stidham was named ACC Player of the Week for his performance against the Yellow Jackets last year. Stidham hit .571 (8-for-14) with three doubles and a home run. He drove in a series-high 10 runs and scored five times starting at third base in all three games. Jack Rye has started 10 games against Georgia Tech over the last three seasons and is a .359 career hitter. He has scored 13 runs and tallied eight RBIs. Buster Posey has nine career hits with a home run and five RBIs. Ruairi O'Connor is 4-for-11 with a double, four runs and 2 RBIs in six appearances vs. GT. Senior Dennis Guinn did not face Georgia Tech last year, but hit .333 as a sophomore with a home run and six RBIs.

Jimmy Marshall and Ryan Strauss have worked the most innings against Georgia Tech over the last three seasons. Strauss got the controlled win start last year working four innings allowing a run on four hits as he struck out three and walked one. He pitched a perfect inning in relief in 2005 as he faced just three batters. In 2006, Marshall got one of his two career starts working 3.1 innings against the Yellow Jackets allowing four runs on eight hits. Last year he threw two scoreless innings and did not give up a hit. He has five career strikeouts against the Jackets. Bo O'Dell and Matt Fairrel each made an appearance in Atlanta a season ago. Fairrel pitched 4.1 scoreless innings allowing four hits while striking out five. O'Dell did not give up a run or hit in an inning of work.

In ACC Play

With last weekend's three-game sweep of Maryland, Florida State has fared well in opening ACC play posting an all-time record of 43-5 since joining the league back in 1992. The Seminoles have never lost a series to open league play, a string of 17 consecutive series victories. FSU has swept the opening series 12 times including sweeps in six straight seasons.

Dating back to the final series of the 2006 season, Florida State has won 11 of its last 12 ACC series including six sweeps. The lone series the Seminoles lost during that span was to Clemson last year as the Tigers took 2-of-3 from FSU in Tallahassee.

Divisional Conference Breakdown

Now in its third season of using a division breakdown in the ACC, Florida State has posted a record of 24-8 against teams in the Atlantic Division including a mark of 14-1 on their home turf. The Seminoles are 19-11 versus teams in the Coastal Division (3-3 vs. Georgia Tech). Last year, FSU claimed its first ACC Atlantic Division title en route to earning the No. 1 overall seed in the ACC Tournament. With a mark of 24-6 last year, the Seminoles set the school record for the most conference wins in a season surpassing the previous record of 22-2 set in 1999. The 24 victories also tied for the most wins recorded in ACC history (Clemson - 24 in 2006).

Hot Start In 2008

For the second straight year, Florida State started a season undefeated at 12-0 before falling to Georgia 13-10 in the first of a two-game series. It marked just the third time in the Mike Martin era and the fifth time in the 61-year history of the program that FSU opened the season with a 12-0 record. In 1972 and 1985, FSU started 12-0 while in 1975 the Seminoles ran out to a 15-0 mark under then head coach Woody Woodward. Last year, Florida State set the school record for the best start in school history winning its first 23 games to start 23-0.

Raycom Sports and Turner Broadcasting System, in partnership with The Atlantic Coast Conference, will offer exclusive online coverage of ACC Baseball in 2008. This is the second year that the conference office will provide online video streams of the sport's regular season games to a national fan base. ACC Select will carry 22 Florida State home games this year - delivering an unprecedented opportunity for fans to watch live and on-demand coverage. Go to www.accselect.com for complete details.

We Are All Hokies

During the 2007-08 school year, the FSU baseball team will pay tribute to the victims of the April 15, 2007 shooting on the campus of Virginia Tech by wearing a black patch on the left side of their ball caps and helmets. Today and everyday, we are all Hokies.

Double-Digit Hits

The string of double-digit hit games came to an end at 13 straight as the Seminoles were held to a season-low seven hits in an 8-3 victory over Georgia. Florida State continues to lead the league in hitting with a .359 batting average. The Seminoles have scored 140 runs on 170 hits as 66 of those hits have been of the extra base variety. FSU started the season recording double-digit hits in the first 13 games posting a season-high 15 hits twice in games two and three against Duquesne. In 2007, FSU registered double-digit hits in 18 of its first 20 games including a streak of 16 straight. Last year's 16 straight double-digit hit games were the longest of record dating back to 1996.

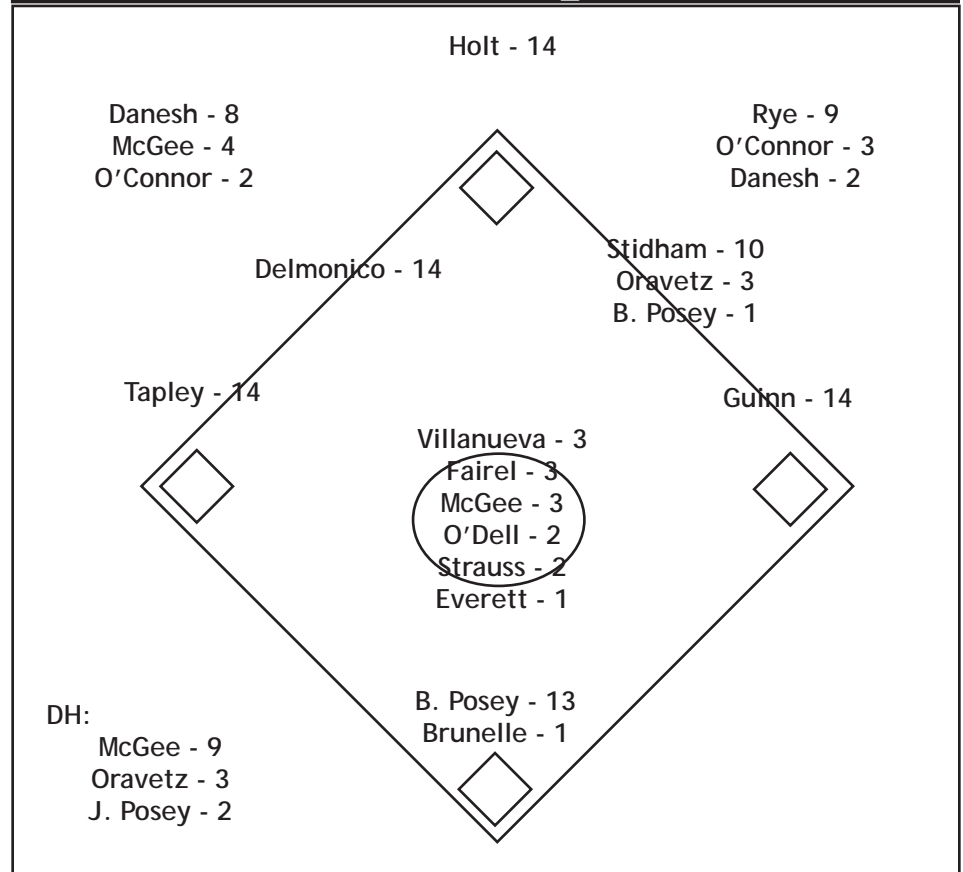

Buster Posey - A "Jack" of All Trades

When Buster Posey arrived on campus as a freshman in the fall of 2005, he stepped in and filled a void at shortstop. Posey finished his first season in the spring of 2006 playing all 65 games at short, batting .346 with 85 hits and 48 RBIs en route to earning Freshman All-American accolades. In 2007, the Seminole coaching staff was faced with filling a void at the catcher position and once again looked to Posey. Having never played the position in his career, the Leesburg, Ga., native finished the year earning first team All-America and All-ACC first team accolades while becoming a finalist for the Johnny Bench Award, presented to the nation's top collegiate catcher. Then in 2008, FSU was in search of a closer after the departure of Danny Rosen and Luke Tucker. Once again, the coaching staff looked to Posey, who has stepped in nicely making three appearances on the year posting a 0.00 ERA with three strikeouts and two saves in two opportunities. In Wednesday's game against UNC Asheville, Posey checked one more position off the list as the junior right hander made his first collegiate start at second base. What else does Posey have in store for '08? Stay tuned!

Posey Goes Back-To-Back

Not only did Buster Posey collect his first multi-home run game of his career in game one of a doubleheader against Georgia, but he did it in consecutive at-bats. The junior catcher hit a one-out solo shot to left in the fifth and followed that with a two-out three-run blast over the fence in right in the sixth inning. The last time a Seminole hit back-to-back home runs in consecutive at-bats was back on March 30, 2007 when Tony Thomas, Jr. hit a pair of home runs in his first two at-bats against Duke. With five home runs to his credit in 2008, Posey set a career-high for home runs hit in a season and is just two shy of tying his career total through

Seminole Starts By Position

his first two seasons. He hit four as a freshman and three last year.

Tapley Collects Walk-Off Hit

In a game that featured seven lead changes and two ties, freshman Stuart Tapley spoiled any chances of a Maryland upset in the series finale as he delivered a walk-off bases loaded single in the bottom of the ninth to give the Seminoles a 9-8 victory over the Terrapins. On a 0-1 pitch, Tapley laced a single back up the middle scoring Tony Delmonico for the game-winner to give the Seminoles the sweep. The walk-off victory was the first since March 16, 2007 when Jack Rye hit an RBI single in the bottom of the 11th to defeat Wake Forest 7-6.

Florida State Pitching Probables

Friday - Junior RHP Elih Villanueva is coming off his first career complete game in a Seminole uniform as he went the distance in a 5-4 win over Maryland last Saturday in the ACC opener for both teams. Villanueva remained perfect on the year at 3-0 as he threw the first nine-inning complete game for the Seminoles since Tyler Chambliss went nine back on March 11, 2006 in a 6-2 Florida State victory over Maryland. The junior right hander gave up four runs, two earned, on five hits as he walked just one and struck out a season-high eight batters. Villanueva leads the team in innings pitched (19.1) and strikeouts (19). He currently boasts a 3.26 ERA and is limiting opponents to a .200 batting average.

Saturday - Sophomore LHP Matt Fairel will take the mound on Saturday for his fourth start of the season and second in ACC play. Once again, the Seminoles got another strong performance from the southpaw as the Winter Haven, Fla., native worked seven scoreless innings last weekend against Maryland to tie a career-high. He allowed seven hits and walked two while tying another career-high with seven strikeouts. Fairel has now pitched 10.1 consecutive scoreless innings. He is currently tied for third in the league with a 0.95 ERA as he has allowed just two earned runs over 19 innings of work. He has struck out 17 and walked six.

Sunday - Senior RHP Ryan Strauss will look to rebound after last weekend's shaky start against Maryland where he allowed a career-high six earned runs on nine hits. Despite giving up three home runs over the first three innings, he threw 6.2 innings in earning a no decision. In his first start against Auburn, Strauss pitched seven scoreless innings to earn his first victory of the season. He did not face more than four batters in any inning and retired the last five Auburn hitters that he faced including the final two on strikeouts. The Tampa, Fla., native has thrown over 100 pitches in both starts.

ACC Preseason Poll

Despite losing 18 letterwinners including four position starters and two starting pitchers, the Florida State Seminoles were selected to repeat as Atlantic Coast Conference Atlantic Division Champions in 2007 as determined by a vote of the league's 12 head coaches. Defending ACC champion North Carolina was picked to repeat as the league champion in 2008 as well as capture its third straight Coastal Division crown. Florida State garnered 66 points including seven first place votes. The Seminoles also received two votes to capture the ACC Championship which will be held at the Baseball Grounds in Jacksonville, Fla. The tournament will be played in a round-robin format for the second year in a row May 21-25.

Early Recognition

The preseason accolades have poured in for the Seminoles in 2008. Junior Buster Posey and senior Jack Rye most recently were named to the Golden Spikes Award Watch List for National Player of the Year. Since the inception of the Golden Spikes Award back in 1978, a Florida State student-athlete has received the award three times as Mike Fuentes (1981), Mike Loynd (1986) and J.D. Drew (1997) have all won the award. No school in America has produced more winners of this prestigious award than Florida State.

Posey has also received first team All-America honors by Collegiate Baseball, Baseball America and Rivals.com, while earning third team recognition from the NCBWA. Rye has been honored as a second team All-American by Collegiate Baseball and Rivals.com. Posey joins senior Ryan Strauss and sophomore Jason Stidham as a watch list member for the Brooks Wallace Award - an honor given to the nation's top collegiate player. Posey was recently named to the Johnny Bench Award watch list, an award he was named a finalist for a season ago. Strauss was also recognized on the watch list for the Roger Clemens Award.

ACC Honors

Just two weeks into the season and Florida State has been honored twice by the ACC. In week one, freshman Mike McGee was named Co-Player of the Week sharing the honor with North Carolina's Dustin Ackley. McGee led the Seminoles in hitting with a .727 average collecting eight hits in 11 official at-bats. He scored three runs and drove in six while leading the team in both slugging percentage (1.273) and on-base percentage (.769).

Dennis Guinn picked up his second career ACC weekly honor as the senior first baseman led Florida State to a four-game sweep of Auburn. Guinn hit .563 for the series collecting nine hits, six RBIs, three home runs and a team leading slugging percentage of 1.188.

Over the past two years, a Florida State student-athlete has been named either the ACC Player or Pitcher of the Week 11 times.

Florida State Hit Streaks

Sophomore Jason Stidham has raced out to an incredible start recording hits in all 10 games that he has played this season extending his hitting streak to 12 games dating back to last season. He has registered multiple hits in five of those 10 games. Stidham is a hit shy of tying his career-high hit streak of 13 games. After going hitless in the first game of the season, Buster Posey has collected a hit in 13 straight ball games while registering multiple hits in six. Tennessee transfer Tony Delmonico pushed his hitting streak to a career best 14 games thanks to hits in both games of the doubleheader against the Duquesne Dukes to start the season. The streak would end at 14 as Delmonico went 0-for-4 in game three.

Rye Back In The Lineup

It was shorter than expect, but you won't hear any one complain. After senior Jack Rye suffered a broken right thumb on the very first day of practice, it was estimated that Rye would miss the first three weeks. But his healing process went quicker than expected and Rye returned to the Seminole lineup on Saturday, March 1 in game three against Auburn. And in his first at-bat, the Irvine, Calif., native laced a single to left field. He reached base in his first three at-bats and capped off his return with a 2-for-3 day. Since his return to the Seminole lineup, Rye his hitting .265 with nine hits, a double and seven RBIs in nine games.

Wow...Now That's An Inning

After being shutout for seven innings against UNC Asheville in game two Wednesday night, Florida State erased a five-run deficit pushing across 10 runs in the bottom of the eighth to post its first come-from-behind victory of the season. The Seminoles sent 15 batters to the plate that inning registering five walks and seven hits including hitting for the cycle with two home runs, a triple, a double and three singles. The last time FSU scored 10 or more runs in a single inning came in the NCAA Regional elimination game against Stetson when the Seminoles put up 11 runs in the seventh in a 17-1 victory.

Young Seminoles Make Early Mark

Nine freshmen made an appearance on opening weekend for the Seminoles as three were

in the starting line-up for all three games against Duquesne. The starters, which included Mike McGee, Tyler Holt and Stuart Tapley, combined to hit .517 with 15 hits in 29 at-bats. The freshmen trio registered 10 runs, 9 RBIs, two doubles, a triple and two home runs. The three student-athletes posted nine walks while striking out just four times. They were perfect from the field in eight opportunities. Catcher Parker Brunelle made his first collegiate at-bat a memorable one hitting a two-run homer to right center in game one of the doubleheader.

Three freshmen rank in the top four in hitting with Stuart Tapley (.413), Mike McGee (.390) and Tyler Holt (.386) sitting in spots two through four, respectively. In the ACC, Holt ranks in the top 10 in three offensive categories while sitting second in both walks (19) and on base percentage (.576). Tapley is ninth in hitting and has the second highest average among freshmen hitters in the league.

Two Out Runs...Two Out Hits

Picking up where they left off a season ago, the Seminoles continue to hit well with two outs in an inning posting an average of .333 with 51 hits in 153 at-bats. Through the first three and a half weeks, FSU has scored 41 runs on two outs which amount to 29.3% of the total run production in 2008. Senior Dennis Guinn leads the way with seven two-out RBIs. Six Seminoles are hitting .400 or better with two outs while freshman Luke Smierciak leads all hitters with a .500 average. Guinn and Buster Posey share the team lead with seven two-out hits. In 2007, FSU hit .330 with two outs accumulating 243 hits in 736 two-out opportunities. Thirty-nine percent of the run production last season was scored with two-outs as the Seminoles scored 219 runs in 62 games.

Seminole Firsts

Last weekend against Maryland, junior Tommy Oravetz got his first start of the season at second base...he started all three games and hit .333...Nick Vickerson and Jimmy Marshall each picked up their first collegiate hit in the eighth inning in the second game of a doubleheader against the Terrapins...both hits were singles to right field...all three hits by Jack Posey have been doubles...freshman Stuart Tapley gave the Seminoles a three-game sweep over Maryland thanks to his walk-off single with the bases loaded in the bottom of the 9th... Tapley hit his first collegiate home run in the bottom of the eighth against Georgia - a two-run shot to solidify the win for FSU.
