## Setting The Series: Florida State vs. NC State

Florida State concludes its regular season schedule with a three-game conference set against NC State beginning Thursday, May 15. The Seminoles lead the all-time series 45-21 including a record of 20-5 on their home turf. Since joining the ACC back in 1992, FSU has never dropped a series to the Wolfpack in Tallahassee taking all eight series including three sweeps. The two schools have split the last 10 games as four have been decided by two runs or less including three one-run ball games going in favor of Florida State (2-1).

The last time these two schools squared off at Dick Howser Stadium was in the final week of the 2006 regular season for both teams. FSU won the first two games squeaking out an 11-10 victory in game one and then winning game two 7-1. The Wolfpack concluded the series with a 15-7 victory in the finale. Last year, the Seminoles once again took 2-of-3 from the Pack this time in Raleigh winning games one (10-4) and three (6-5).

## Against The Wolfpack

The Seminoles hitters have a solid history of producing runs against Wolfpack pitching as they have averaged 7.6 runs per game and hit .334 against NC State in the last two years. Jack Rye, Dennis Guinn and Buster Posey have combined for six home runs and 19 RBIs against the Wolfpack in their careers. Rye was excellent in 2006 when he hit .429 with four runs scored, three doubles, two home runs and six RBIs in the five game season series. Tommy Oravetz has also had success as he has driven in three runs in six games coming off the bench.

Florida State returns two pitchers who have had success in their careers against NC State in Jimmy Marshall and Matt Fairrel. Marshall has pitched 10.0 innings in three appearances against the Wolfpack and allowed just four runs while striking out seven. Fairrel worked a perfect inning of relief against NC State last year and will be the starting pitcher for the Seminoles on Thursday night.

## In ACC Play

Dating back to the final series of the 2006 season, Florida State has won 17 of its last 20 ACC series including 11 sweeps. Of the three series that FSU has lost only one has come on the road that coming against North Carolina this year at the USA Baseball National Training Complex in Cary, N.C. The first series loss during this span came at the hands of Clemson as the Tigers took 2-of-3 from FSU in Tallahassee. With only one conference series remaining on the schedule in 2008, Florida State has swept Maryland, Georgia Tech, Virginia Tech, Virginia, Boston College and Clemson while taking 2-of-3 from Wake Forest. With a three game sweep of Clemson in South Carolina, FSU captured its second consecutive ACC Atlantic Division title. The Seminoles' 10-0 start in league play marked the third time in school history that FSU started a season undefeated through the first 10 games. It was FSU's best start in the conference since starting 13-0 back in 1999. In 1996, the Seminoles ran out to a 17-0 start.

## Divisional Conference Breakdown

Now in its third season of using a divisional breakdown in the ACC, Florida State has posted a record of 32-9 against team in the Atlantic Division including a mark of 15-3 at home. FSU is 4-2 against NC State since the conference adopted the two division format and 2-1 against the Wolfpack in Tallahassee. The Seminoles are 30-15 against teams in the Coastal Division. Last year, FSU claimed its first ACC Atlantic Division title en route to earning the No. 1 overall seed in the ACC Tournament. With a mark of 24-6 last year, the Seminoles set the school record for the most conference wins in a season surpassing the previous record of 22-2 set in 1999. The 24 victories also tied for the most wins recorded in ACC history (Clemson - 24 in 2006).

NC State owns a record of 27-15 against Atlantic Division foes including a mark of 12-9 on the road. The Wolfpack are 9-3 against members of the Atlantic this year compared to FSU's 11-1 mark. Off the schedule for both teams this year were Georgia Tech for NC State and Duke for Florida State.

**Playing All Nine Positions**

Baseball fans witnessed history on Monday, May 12 inside Dick Howser Stadium as junior Buster Posey played all nine fielding positions in Florida State's 10-0 victory over Savannah State. Posey became just the fourth Seminole in the Mike Martin era to play all nine positions in a game joining Mark Barineau, Jose Marzan and Mike Martin, Jr. Martin, Jr., was the last Florida State student-athlete to perform the feat as he played every position against Furman back in 1994.

Posey started the game at catcher and played every infield position from the second to the fifth inning. He made the move to first base in the second, played second base in the third, shifted over to shortstop in the fourth and completed the rotation playing third base in the fifth. The Leesburg, Ga., native made his first collegiate appearance in the outfield in the sixth as he started in left field to begin the inning and shifted over to center with two outs. He then moved to the mound in the seventh and struck out both batters that he faced before moving to right field for the final out of the inning. Posey registered a putout in the field as he was on the receiving end of the first out of the second inning at first base.

**Holt Gets On Base**

With the departure of Tony Thomas, Jr. a season ago, the Seminoles needed to find some one to fill in at the top of their batting order. And they found that person in freshman center fielder Tyler Holt. Holt is among the national leaders in walks and ranks in the top 10 in the ACC in on-base percentage. But what is most impressive is that Holt has reached base in every game this season, a streak that extends to 52 consecutive games. Current records show that the school mark for reaching base in consecutive games was set by Shane Robinson at 57. Robinson performed the feat over two seasons (2004-05) while posting his school record 40-game hitting streak.

**Posey In Rare Company**

Buster Posey is having one of those seasons that many college baseball players only dream of having. The junior catcher leads the nation in five offensive statistical categories including batting average (.469), hits (91), total bases (165), on-base percentage (.571) and slugging percentage (.851). He also ranks in the top 10 in runs per game (6th) and runs (3rd). In the ACC, Posey leads in eight categories while ranking in the top 10 in three others. He currently sits atop in the league in batting average, hits, runs scored, runs batted in, total bases, on-base percentage and slugging percentage and tied for first with 16 home runs. On top of all that, he is also batting .477 in 27 league games to pace the ACC.

## Tiger Success

When it comes to Seminoles versus Tigers in 2008, give the edge to the Seminoles. FSU is 11-0 against 'Tiger' schools posting four-game sweeps over the Auburn Tigers and Savannah State Tigers, while completing a three-game road sweep of the Clemson Tigers in South Carolina. FSU has outscored Tiger teams 129-38 this season as five of the 11 games were decided by two runs or less.

## A Perfect 9-for-9 In Stolen Bases

Florida State set a season-high for stolen bases back on Wednesday, April 2 against Jacksonville as the Seminoles were a perfect 9-for-9 in the stolen base category. Tyler Holt, Jason Stidham, Jack Rye and Luke Smierciak each swiped a pair of bases while Tony Delmonico had one. Holt broke a 2-2 tie in the top of the seventh as he successfully stole home. The nine stolen bases were the most in one game since FSU registered eight against West Virginia back on March 6, 2004. Entering Wednesday's contest against Jacksonville, Florida State had 18 steals in 33 attempts with a season-high of three against Duquesne. The school record for the most stolen bases in a game is 11 set three times - Virginia (1994), Richmond (1986) and Stetson (1957).

## ACC Repeat

For the second year in a row, the Florida State Seminoles claimed the Atlantic Division Title thanks to a three-game sweep at Clemson back on May 3-5. The division crown assures the Seminoles of no lower than a second seed in the upcoming ACC Baseball Tournament in Jacksonville, May 21 - 25. Since the move to divisions in 2006, FSU has captured two of the three titles. Last year, FSU went 24-6 en route to its first division crown as the Seminoles set the school record for the most conference wins in a season surpassing the previous record of 22-2 set in 1999. The 24 victories also tied for the most wins recorded in ACC history (Clemson - 24 in 2006).

## One-Run Games

With just three games left in the 2008 season, Florida State surpassed its 2007 total of one-run games. Last year, the Seminoles posted a respectable 7-2 mark in one-run games compared to this year's 11-3 record. FSU won its first 10 one-run games in 2008 before falling just short to Miami in an 11-10 loss. The second loss came in extra innings of the rubber game of the series against North Carolina. Eleven of the 13 games have occurred against ACC teams while four (Maryland, GT and Virginia twice) have resulted in walk-off victories.

## Consecutive Inning Scoring Streak

The Seminoles scored in 13 consecutive innings spanning three games against Savannah State over the weekend. They scored in the final five innings of Saturday's game, all seven innings in Sunday's game and the first two innings of Monday's series finale. The streak began with a nine run Seminole second on Saturday and ended when Florida State failed to score in the third inning on Monday. During the span, the Seminoles scored 49 runs, an average of 3.8 runs per inning.

Dating back to the 2003 season, Florida State had not scored in more than eight consecutive innings. The Seminoles did score in eight consecutive innings spanning two games earlier this season against Duquesne and did it again in 2003 in two games against Charleston Southern and Siena.

## Most Runs Ever Scored In A Series

Florida State's 76 runs scored in the four-game series sweep over Savannah State are the most runs scored in a series by a Seminole team. The Seminoles scored 23, 19, 24 and 10 runs respectively in the four games while posting a team batting average of .504. The Garnet and Gold also combined to hit 13 home runs with 30 extra base hits and 37 base-on-balls.

The Seminoles have scored 76 runs in a weekend before but it came against four different teams during the 1998 NCAA Regional in Tallahassee. In that Regional, Florida State defeated Liberty 10-7, Delaware 27-6, Oklahoma 23-2 and Auburn 16-10. Florida State has scored 82 runs against a team in a season before. In 1992, the Seminoles put up 82 runs in four games against Georgia State but the four games were split into two, two-game series played during different parts of the season.

## Power Surge

The Seminole offense has showed a little more pop this year than in years past posting 80 home runs through 52 games. It is the most home runs hits since blasting 81 in 2004. This year's number already surpasses the number of home runs hit over the last three seasons: 2007 (53), 2006 (69) and 2005 (55). In terms of slugging percentage, this year's mark of .581 would stand as the best in school history. The school record was set in 1982 when FSU registered a percentage of .568 in 74 games. That year, the Seminoles registered 159 doubles,

33 triples, 131 home runs and 516 singles. Junior Buster Posey and senior Dennis Guinn are the top long ball hitters on the Seminole squad in 2008 as both have set career, season-highs with 16 and 15 round trippers, respectively.

FSU hitters have registered a home run in 38 of the 52 games played with multiple home runs in 21 games. In 10 games this year, FSU has hit three or more round trippers including a season-high six against Duquesne in the first game of the season. Last year alone, the Seminoles hit a home run in half of their games (31-of-62) with multiple home runs in only 14.

### Packing Dick Howser Stadium

During the last five-game home stand that featured games against Florida, North Florida and Miami, a total of 30,179 fans packed Dick Howser Stadium. Over a span of three times in four games, FSU set the stadium attendance record with the largest crowd announced at 6,789 in Saturday's victory over the Hurricanes. The three-game series against Miami drew 19,062 breaking the previous three-game series attendance record of 18,045 set against Miami in 2006. Through 30 home games this season, a total of 149,388 have walked through the gates of Dick Howser Stadium. The Seminoles are currently averaging 4,979 fans per game which is on pace to break the single season home average record of 4,516 set in 2005. Home attendance has eclipsed the 5,000 mark 11 times this year with four figures ranking among the top 10 all-time crowds at Dick Howser Stadium.

### Seminoles Take Series From Gators

Thanks to a 4-2 victory over Florida on Tuesday, April 15, Florida State did something it hadn't done against the Gators since the 2005 season - win a regular season series against their intra-state rival. Behind a complete game effort from senior Ryan Strauss, the Seminoles took 2-of-3 from UF with wins in Tallahassee and at the Baseball Grounds in Jacksonville (10-2).

### Florida State Starts Five Freshmen

On Tuesday, March 18 at Florida, head coach Mike Martin put five freshmen in the starting lineup for the first time all season. Center fielder Tyler Holt, third baseman Stuart Tapley and pitcher/outfielder Mike McGee have all been regulars in the starting lineup this year. Joining the trio in the starting lineup in Gainesville were Jack Posey, making his third start at DH, and Luke Smierciak who was making his first collegiate start in right field.

### 11 Reaches 1500 Career Wins

Florida State's Mike Martin added yet another milestone to his already illustrious career as the Hall of Fame coach became just the third coach in NCAA Division I history to reach 1,500 career victories. With Sunday's victory over Georgia Tech, Martin joined Texas' Augie Garrido (1,658) and Wichita State's Gene Stephenson (1,643) atop that plateau. Martin owns a career record of 1,528-514-4 good for an all-time winning percentage of .748 which ranks third in the NCAA among active Division I coaches.

### Seminole Pitching

Sandwiched between the Virginia Tech and Miami series, a span covering 15 games, FSU did not yield more than five earned runs in a single game. The Seminoles allowed just 36 earned runs in 138 innings, 48 walks and 119 strikeouts while going 14-1 during that span. In a three-game sweep of Virginia, six FSU pitchers combined for 33 strikeouts and just 11 walks.

### Guinn Doubling Up

Dennis Guinn tied a career-high with three doubles in FSU's 13-5 victory over North Carolina. He became the first Seminole to hit three doubles this season and the first since he collected three doubles against Boston College back on March 23, 2007. The senior first baseman collected all three in his first four at-bats finishing the game 4-for-5 with three RBIs and two runs scored. Guinn now sits with 16 doubles in 2008 surpassing his previous season-high of 13 set a season ago. He has amassed 46 during his four-year Seminole career.

### Hitter In The Rye

After returning to the Seminole starting line-up after missing the first five games due to a broken right thumb suffered during the first practice of the 2008 baseball season, Jack Rye looked good in his first game back going 2-for-3 against Auburn. But the senior right fielder cooled off over the next 11 games collecting just two multi-hit games en route to hitting .233. He had just seven RBIs, one double and no home runs during that span. On March 21 in Blackburg, things started to change for Rye as he tied a career-high with four hits in the first of a three-game set. Since that game, Rye is hitting .487 (58-for-119) with 19 multiple hit games including seven games with three or more hits. He has registered 34 RBIs with nine doubles, six home runs and 30 base-on-balls.

## Strauss And Posey To Save The Day

Ryan Strauss matched his career save total in just one day as the senior right hander went 2-for-2 in save opportunities in FSU's doubleheader sweep of Boston College on Friday, April 11. Strauss pitched a scoreless ninth in both games to earn his first two saves of the season while running his career total to four. He added his third save of the season as he worked two scoreless innings out of the bullpen to wrap up FSU's victory over Miami in game two. Strauss recorded save number four throwing 2.1 innings of work in a 13-5 victory over North Carolina. Strauss entered the game with the tying run on deck in the seventh to earn save number four.

Buster Posey has been near perfect in his six relief appearances this season. The junior right hander has not allowed a run in 6.1 innings of work. He has given up three hits and one walk while striking out eight. He is 5-for-5 in save opportunities this year. As a team, Florida State is 13-for-15 in save chances this year.

## Five-Hit Performance

Centerfielder Tyler Holt became the first Seminole this year to record five hits in a ball game as Florida State went on to defeat Boston College 8-6 in game one of a doubleheader back on Friday, April 11. The freshman from Gainesville, Fla., went a perfect 5-for-5 in the game with three singles, a pair of doubles, a career-high three RBIs, two runs scored and a stolen base. Holt's five-hit performance was the first since Mark Hallberg went 5-for-7 against Maryland in 2007. The last Seminole to record a perfect 5-for-5 at the plate was Tony McQuade back on April 20, 2003 against Miami.

## Consecutive At-Bats With A Hit

Freshman Stuart Tapley became the first Seminole in nearly two years to register a hit in six straight at-bats. The Orlando, Fla., native performed the feat over two games against Savannah State as he went 4-for-4 in game two and then recorded hits in his first two at-bats in game three before drawing a walk in his third plate appearance. During his six hit streak, Tapley registered a single, double, single, double, a two-run shot and his first career grand slam. The last Seminole to record six consecutive hits was Travis Anderson at the 2006 ACC Tournament in Jacksonville, Florida.

## Grand Slam Home Run

Tony Delmonico hit the first Seminole grand slam of the season in the series finale at Boston College to conclude a 17-2 victory for the Garnet and Gold. The home run also marked the first career grand slam for the junior shortstop. Florida State added to its grand slam total hitting three during the four-game series against Savannah State. Buster Posey hit two bringing his career total to three while Stuart Tapley connected on his first career slam. Dennis Guinn is the other Seminole on the current roster to hit a grand slam as he tied a school record belting three during his sophomore campaign. He shares that record with J.D. Drew and Jeremy Morris who both hit three grand slams in the 1997 season. Posey hit his first career slam last year down in Coral Gables in a 13-8 FSU victory. He finished that game with a career-high seven RBIs.

## Tommy O Picking The Offense

In his third year at Florida State, Tommy Oravetz is having his best year yet. The junior from Tallahassee, Fla., has appeared in 49 games this year and has set a season-high with 29 starts (26 at DH and 3 at 2B). Oravetz currently sits with an average of .339 as just under half of his 40 hits have gone for extra bases. He has already set career season-highs for doubles (11), triples (3), home runs (4) and total bases (69). Against Boston College, Oravetz registered five hits including a pair of doubles, one triple and a home run. On top of all that, he is tied for the team lead with four pinch hits. Oravetz ranks third with a .455 average when batting with two outs in an inning.

## National Recognition

The Seminoles rank in the top 10 nationally in nine major hitting categories while standout catcher Buster Posey leads the country in five major hitting categories and ranks in the top 10 nationally in two others, the most out of any player in the country.

## Walk-Off Victories

With just three games remaining in the regular season, Florida State has recorded four walk-off victories in its final at-bat including two in the bottom of the ninth and two in back-to-back extra-inning games. The two ninth-inning victories came in back-to-back ACC games one against Maryland, the other against Georgia Tech. In a game that featured seven lead changes and two ties, freshman Stuart Tapley spoiled any chances of a Maryland upset in the series finale as he delivered a walk-off bases-loaded single in the bottom of the ninth to give the Seminoles a 9-8 victory over the Terrapins. Tony Delmonico scored the game-winning run.

Ohmed Danesh followed that with a two-out, two-run bases-loaded single in the first of three games against Georgia Tech. Luke Smierciak scored the game-winner after entering the game as a pinch runner replacing Dennis Guinn who drew a walk.

In consecutive 10th-inning wins over Virginia, Jack Rye registered his third career walk-off victory with a bases-loaded single scoring Luke Smierciak. In game two of a twin bill, Tyler Holt hit a chopper to third scoring Smierciak, who slid home in plenty of time on a play at the plate. Smierciak was hit by a pitch to lead off the 10th inning in both games. He has scored three of the four game-winning runs in 2008.

In its 62-game schedule a year ago, Florida State was involved in just one walk-off game, an 11th-inning, 7-6 victory over Wake Forest. Jack Rye provided the heroics hitting an RBI single to defeat the Demon Deacons back on March 16, 2007.

## Hot Start In 2008

For the second straight year, Florida State started a season undefeated at 12-0 before falling to Georgia 13-10 in the first of a two-game series. It marked just the third time in the Mike Martin era and the fifth time in the 61-year history of the program that FSU opened the season with a 12-0 record. In 1972 and 1985, FSU started 12-0 while in 1975 the Seminoles ran out to a 15-0 mark under then head coach Woody Woodward. Last year, Florida State set the school record for the best start in school history winning its first 23 games to start 23-0.

## Walking On Sunshine

Florida State has showed great patience at the plate throughout the season drawing a league-high 346 walks, 94 more than Miami who sits second with 252 base-on-balls. The Seminoles are the only team in the ACC to record more walks than strikeouts. FSU is on pace to draw 365 walks in 55 games. FSU has already registered double-digit walks in 12 games this season including a season-high 14 in game two against Virginia Tech.

## Double-Digit Hits

The string of double-digit hit games came to an end at 13 straight as the Seminoles were held to seven hits in an 8-3 victory over Georgia. Florida State continues to lead the ACC in hitting with a .359 batting average, while the mark also leads the nation. The Seminoles have scored 516 runs on 662 hits as 229 of those hits have been of the extra-base variety. FSU recorded a season-high 24 runs while tying a season-high with 21 hits in a 24-4 victory over Savannah State in game three. The Seminoles have notched double-digit hits in 41 of their 52 games this year including a current streak of eight in a row. In 2007, FSU registered double-digit hits in 18 of its first 20 games including a streak of 16 straight. The Seminoles finished the season with 47 double-digit hit games. Last year's 16 straight double-digit hit games were the longest of record dating back to 1996.

## Buster Posey - A "Jack" of All Trades

When Buster Posey arrived on campus as a freshman in the fall of 2005, he stepped in and filled a void at shortstop. Posey finished his first season in the spring of 2006 playing all 65 games at short, batting .346 with 85 hits and 48 RBIs en route to earning Freshman All-American accolades. In 2007, the Seminole coaching staff was faced with filling a void at the catcher position and once again looked to Posey. Having never played the position in his career, the Leesburg, Ga., native finished the year earning first team All-America and All-ACC first team accolades while becoming a finalist for the Johnny Bench Award, presented to the nation's top collegiate catcher. Then in 2008, FSU was in search of a closer after the departure of Danny Rosen and Luke Tucker. Once again, the coaching staff looked to Posey, who has stepped in nicely making three appearances on the year posting a 0.00 ERA with three strikeouts and two saves in two opportunities. In game two of a mid-week series against UNC Asheville, Posey checked one more position off the list as the junior right hander made his first collegiate start at second base. He played his fourth different position in game one at Stetson starting as the Seminole designated hitter for the first time in his collegiate career. Posey seemed okay with the position change as he reached base on all five plate appearances registering a pair of walks and back-to-back home runs in consecutive at-bats. What else does Posey have in store for '08? Stay tuned!

## **Tops In The ACC**

Junior Buster Posey leads the ACC in eight offensive categories including batting average (.469), total bases (165), hits (91), runs scored (72), on-base percentage (.571), slugging percentage (.851) and runs batted in (66), while sitting in a tie with Miami's Yonder Alonso with 16 home runs. He also ranks in the top 10 in three other offensive categories including doubles (3rd), walks (6th) and triples (t-9th). He and fellow teammate Jack Rye are the only two hitters in the ACC that are currently hitting over .400 with a minimum of three total plate appearances per game. FSU has the top three hitters in the league as freshman Stuart Tapley ranks third with an average of .398.

Sophomore Matt Fairel is tied for the league lead in wins with an 9-1 record on the mound. He also ranks in the top 10 in ERA (5th), innings pitched (6th) and opponent batting average (10th). Elih Villanueva ranks in the top 10 in four categories including strikeouts (6th), opponent batting average (7th), innings pitched (8th) and ERA (9th), Jimmy Marshall is second in the league in appearances with 29.

## **Posey At Third?**

That's right there's been a Posey sighting at third base in 2008. And yes, I'm talking about Jack Posey. The younger Posey made his first start in the field in game one Friday, March 21 against Virginia Tech and started at third the entire weekend. He started at the hot corner while freshman Stuart Tapley was sidelined with an injured right wrist. Posey has seven starts at third base in 2008 and has committed just two errors in 39 opportunities. At the plate, Posey has registered six hits including a double, a home run and seven RBIs.

## **Walk It Out**

Freshman Tyler Holt has stepped in nicely as the Seminole leadoff hitter in 2008. The Gainesville, Fla., native is third nationally and in the ACC with 52 walks. Holt is averaging 1.00 walk per game. At one point in the season, Holt drew a walk in 13 consecutive games and has a base-on-ball in 35 of 52 games in 2008. Fourteen times in 2008 he has drawn two or more walks, while three times this year he has registered three walks in a single game. Holt is currently fourth on the team and ninth in the conference in on-base percentage with a .478 mark.

## **Rain, Rain, Go Away**

Rain has played havoc on the Seminole schedule in 2008 as Mother Nature has forced five doubleheaders so far this season. Opening day was washed away by rain as was the Seminoles' exhibition game against the Philadelphia Phillies. FSU and Georgia got through 4.5 innings before rain postponed game one of a two-game mid-week series. Rain also forced the cancellation of the first conference game of the season against Maryland back on March 7. It wasn't until the following week that the Seminoles played their first Friday night home game of the 2008 season. FSU and UVa played a twin bill on Sunday, April 6 with both games being decided in 10 innings. Even before the Seminoles hit the field against the Eagles, threatening weather approaching the Boston area forced FSU and BC to play two on Friday.

## **ACC Honors**

Heading into the final week of the regular season, Florida State has been honored six times in 12 weeks by the ACC. Over the past two years, a Florida State student-athlete has been named either the ACC Player or Pitcher of the Week 15 times. In week one, freshman Mike McGee was named Co-Player of the Week sharing the honor with North Carolina's Dustin Ackley. McGee led the Seminoles in hitting with a .727 average collecting eight hits in 11 official at-bats. He scored three runs and drove in six while leading the team in both slugging percentage (1.273) and on-base percentage (.769).

Dennis Guinn picked up his second career ACC weekly honor as the senior first baseman led Florida State to a four-game sweep of Auburn. Guinn hit .563 for the series collecting nine hits, six RBIs, three home runs and a team leading slugging percentage of 1.188. In week five, Guinn was honored for the second time in 2008 for his performance against Florida and Virginia Tech. In those four games, Guinn hit .556 with six doubles and three home runs. He scored seven runs and posted 11 RBIs.

Matt Fairel joined the list of honorees as the sophomore southpaw was named ACC Pitcher of the Week for the first time in his career. Fairel earned his fourth victory of the season as he registered eight innings and nine strikeouts, both career-highs, in an 11-2 win over Georgia Tech. Eight of the nine strikeouts posted by Fairel came in the final four innings as he finished the night striking out the side in the eighth.

This past week Buster Posey was honored as the ACC Player of the Week after leading the Seminoles with a .625 average recording 10 hits in 16 at-bats last week. He posted team-highs in runs scored (10), home runs (2), total bases (19), slugging percentage (1.188) and on-base percentage (.739). Against Wake Forest, Posey hit .700 (7-for-10) with two doubles and two

home runs. He scored seven times and recorded four RBIs. He drew four walks, was hit by a pitch and did not strikeout in 15 plate appearances. Posey reached base safely in his first six plate appearances and 10 of his first 11 at-bats against the Deacons. He was a perfect 3-for-3 in game one with a double and two home runs. Posey set a career-high with five runs scored on Friday while scoring the game-winning run in the top of the 11th in the series finale.

Senior Ryan Strauss earned his first career honor picking up wins against No. 13 Florida and No. 14 Virginia. Strauss made his first start against Florida in Jacksonville allowing just one run on four hits in the win. Pitched three innings in relief in game one of a doubleheader against Virginia as the Tampa, Fla., native did not allow a run or a hit striking out six of the 10 batters that he faced.

### Early Recognition

The preseason accolades have poured in for the Seminoles in 2008. Junior Buster Posey and senior Jack Rye most recently were named to the Golden Spikes Award Watch List for National Player of the Year. Since the inception of the Golden Spikes Award back in 1978, a Florida State student-athlete has received the award three times as Mike Fuentes (1981), Mike Loynd (1986) and J.D. Drew (1997) have all won the award. No school in America has produced more winners of this prestigious award than Florida State.

Posey has also received first team All-America honors by Collegiate Baseball, Baseball America and Rivals.com, while earning third team recognition from the NCBWA. Rye has been honored as a second team All-American by Collegiate Baseball and Rivals.com. Posey joins senior Ryan Strauss and sophomore Jason Stidham as a watch list member for the Brooks Wallace Award - an honor given to the nation's top collegiate player. Posey was recently named to the Johnny Bench Award watch list, an award he was named a finalist for a season ago. Strauss was also recognized on the watch list for the Roger Clemens Award. The right hander out of Tampa, Fla., was also named one of 30 nominees for the Lowe's Senior CLASS Award presented to the top senior Division I college baseball player who excels both on and off the field. Just recently, Posey was named to the Dick Howser Trophy Watch List presented to the nation's top collegiate player.

### Two Out Runs...Two Out Hits

Picking up where they left off a season ago, the Seminoles continue to hit well with two outs in an inning posting an average of .358 with 216 hits in 603 at-bats. Through 52 games, FSU has scored 170 runs on two outs which amount to 32.9% of the total run production in 2008. Senior Dennis Guinn leads the way with 28 two-out RBIs. Seven Seminoles are hitting .350 or better with two outs while freshman Luke Smierciak and junior Buster Posey lead all hitters with averages at .529 and .518, respectively. Posey also leads the team with 29 two-out hits followed closely behind by Jack Rye who has 25. In 2007, FSU hit .330 with two outs accumulating 243 hits in 736 two-out opportunities. Thirty-nine percent of the run production last season was scored with two-outs as the Seminoles scored 219 runs in 62 games.

### Back-To-Back Jacks

Sophomore Jason Stidham and junior Buster Posey have been a solid one-two punch as the two, three hitters in the Seminole lineup. Twice this season the Seminole duo has hit back-to-back home runs. The first time occurred on March 28 against Wake Forest in the first inning, while the second time occurred on April 4 vs. Virginia in the eighth inning. Tyler Holt and Stidham provided the first back-to-back jacks of the season on opening day. The feat was performed against Duquesne in the fifth inning. Mike McGee and Stephen Cardullo added to the list in 2008 as both Seminole hitters went back-to-back to lead off the bottom of the fourth inning in Sunday's series finale versus Miami. The back-to-back home run came into play in game two against Savannah State with Dennis Guinn and Tony Delmonico. Guinn hit a two out, two-run shot out of the park to right center followed by a towering solo shot by Delmonico to left center.

### Wow...Now That's An Inning

After being shutout for seven innings against UNC Asheville in game two, Florida State erased a five-run deficit pushing across 10 runs in the bottom of the eighth to post its first come-from-behind victory of the season. The Seminoles sent 15 batters to the plate that inning registering five walks and seven hits including hitting for the cycle with two home runs, a triple, a double and three singles. The last time FSU scored 10 or more runs in a single inning came in the NCAA Regional elimination game against Stetson when the Seminoles put up 11 runs in the seventh in a 17-1 victory.

### FSU Visits Hokie Spirit Memorial

The Florida State baseball team will pay respect to the lives lost during the tragic event that occurred on April 16, 2007 visiting the Hokie Spirit Memorial prior to the start of Friday's game against Virginia Tech. In honor of those lives lost, the FSU baseball team has been wearing a black patch on the left side of their ball caps and helmets and will continue to do so for the duration of the season. Today and everyday, we are all Hokies.
