General

The vast majority of FSU fans and visitors conduct themselves safely and appropriately on game day. The increased support and attendance on game days has led to increased safety concerns and managing those concerns while providing a safe environment is the goal of the Florida State University Police Department.

The Game day Game plan will change very little for most FSU fans and will help ensure a safe and fun environment for everyone who comes to a game.

What types of safety concerns do these regulations address?

Parking on sidewalks is a good example. When cars are parked on the sidewalk, pedestrians are pushed into the street and into the path of vehicle traffic. This is especially dangerous after games, when 85,000 or more fans are leaving the stadium.

This also makes it difficult for emergency vehicles – ambulances, fire trucks – to respond to the scene if they are needed.

FSU and local officials offer a variety of parking services to help make your game day experience more enjoyable. (Lot 9 has temporarily moved to Madison Street)

The Spirit Express/Dial-A-Ride (NEW LOCATION)

The Spirit Express and Dial-a-Ride will continue to provide shuttle services but the new parking and pick up location is at parking garage number 5 located at the corner of Pensacola Street and Copeland Street. (See Map and instructions below)

2011 Offsite ADA Parking Update:

This year, the available offsite location for accessible parking and transportation has moved from the Civic Center to the Copeland Street Parking Garage. The entrance into the Garage will be from South Copeland Street, with the exception of Accessible Vans using the St. Augustine Street entrance. The Annette Bus Line pick-up location will be at the bus loading zone on South Copeland Street. All patron vehicular traffic must flow from Pensacola Street to South Copeland Street for entry.

PLEASE SEE MAP FOR GARAGE ENTRANCES AND THE BUS LOADING ZONE

Staff Personnel assigned to assist into the garage. 

This service helps fan avoid congested traffic around the stadium and get down to the business of cheering for the Seminoles! Shuttles run beginning 2 hours prior to kickoff and run though 1 hour after the end of the game. Drop off and pick up at the stadium is located at Gate H in the bus loop. There is a nominal fee to park and ride. The Dial-A-Ride Shuttle is wheelchair accessible and is an alternative method of transportation for those fans unable to utilize the FSU Disabled Parking Program.

On campus parking rules are enforced. In the interests of safety, parking on sidewalks, grass, fire lanes, and spaces not specifically designed for parking vehicles is prohibited. Violations of disabled parking are strictly enforced. Student and staff parking permits are not required to park on campus Saturday and Sunday. **Weapons and/or firearms are not permitted to be stored in a vehicle on the FSU campus at any time, including game days.**

Some lots are designated Seminole Booster parking during game day weekends. Persons who are not authorized to park in these designated lots are required to remove their vehicles to a non-Booster lot on the Friday evening prior to the Saturday football game. Parking in a Seminole Booster lot without the required parking lot pass may result in the unauthorized vehicle being towed.

Charter Bus Parking for Football Games

This upcoming football season, Florida State University and Seminole Boosters, Inc., will permit charter buses to park during games.

The fee for this service is \$100.00 per bus, per game. Charter buses may park beginning four (4) hours before kickoff. Buses must depart within one (1) hour of the conclusion of the game.

MOTORHOME PARKING Questions and Answers

Q: What are the benefits of this policy?

A: By allowing motorhome spaces to be reserved rather than given on a first-come, first-serve basis, we are eliminating a traffic build-up along Lake Bradford and Jackson Bluff. Since those with reservations will have already paid for and received an assigned spot, the policy will decrease the time spent waiting in line. Also, it will preserve your ability to park with your friends, and, because you will know where your reserved spot is ahead of time, it will allow you to tell others exactly where to meet you in the lot.

Q: Why aren't towed RV's (5th wheels) permitted?

A: The lot was designed as a motorhome lot only. We have a limited number of spaces in the motorhome lot (approx. 160 spaces). If 5th wheels are allowed, next will be self-contained trailers, pop-up campers, etc. The motorhome lot simply does not have the space to accommodate that kind of demand.

Q: Why can't I reserve a space for the whole season?

A: If we allowed that practice, there would be too many unused spaces due to no-shows. Ultimately, we would be faced with a decision to expand the lot (which is not feasible), or limit the use based on priority (which would result in excluding loyal Boosters who attend every game). By requiring weekly reservations, we expect the lot to be more fully utilized.

Q: What if I forget to get my reservation form in by Tuesday at 12:00 p.m.?

A: You will still have the chance to use the lot. You can show up at the gate and be assigned a space based on what has not been previously reserved. You may pay for the space at the gate by cash or check.

Q: Can I reserve more than one space for other friends who are Boosters if they are at the Tomahawk, Silver Chief, or Golden Chief level?

A: No, each person may reserve only one space per Booster account.

Q: What is the latest I can arrive in the motorhome lot and still receive my reserved parking spot?

A: Two hours prior to kickoff. Any reserved spaces still unclaimed will be released into the first-come, first-serve allotment.

Q: Is there a fee to use the motorhome lot?

A: Yes, the fee is \$75 and may be paid by credit card ahead of time, or by cash or check at the gate. The fee to bring in an additional vehicle is \$15.

Q: Can you keep my credit card on file so I don't have to send it in every week?

A: Yes. Your reservation form has a box for you to check if you would like us to keep your credit card information on file. However, you must still send in your reservation if you plan on attending that particular game.

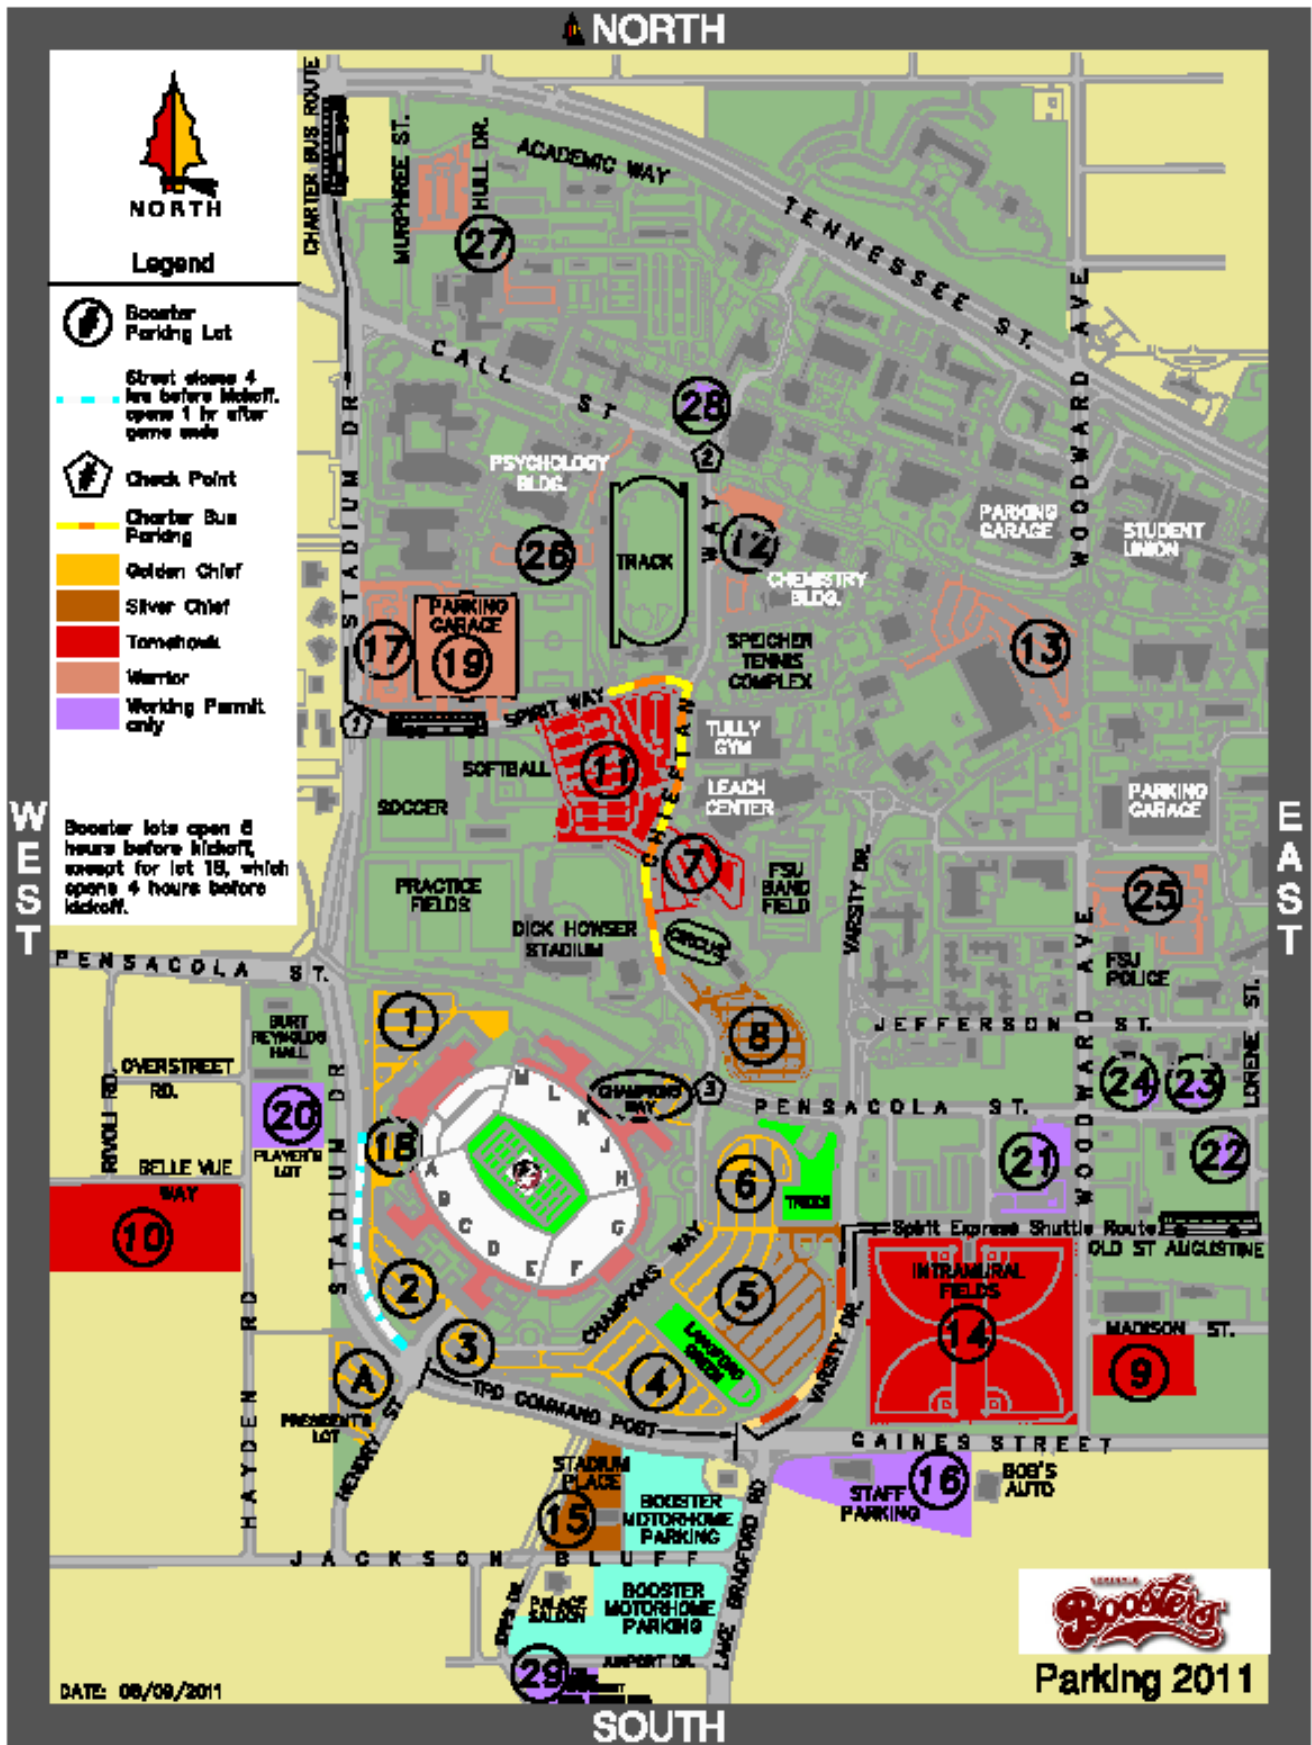

Q: Can I use a generator?

A: No, we now provide electricity, and, because of the noise and fumes, we do not allow generators in the motorhome lots.

Q: Do I need a special permit to enter the lot?

A: You will need to have your Booster Golden Chief, Silver Chief, or Tomahawk permit on your rearview mirror as well as your motorhome lot permit (issued at the gate) on your dashboard. **All permits must be displayed throughout the entire game.**

2011 GAME DAY BOOSTER PARKING LOTS

ADA Parking and Assistance on Gameday

In accordance with federal law, two percent of all parking spaces on the FSU Campus are set aside for disabled parking. The Office of Diversity and Equal Opportunity (DEO) coordinates the Disabled Parking Program for all home football games for fans with disabilities. An additional 125 spaces are created within close proximity of the stadium and all disabled parking spaces are assigned on a game-by-game basis by DEO. Patrons receive instructional aides, guides and information regarding assisted living devices. In addition, DEO offers gold cart services to its program participants on game day. The company contracted to provide shuttle rides for the 2010 season is the Gotcha Group.

1. Participants must have a valid (blue or red) Department of Motor Vehicles (DMV) issued disabled parking placard.
 2. Disabled Parking spaces for the home football games are assigned on a first-come-first-serve basis, determined by the date/time receipt of a completed request packet. This policy ensures fairness for all participants, without regard to the severity of an individual's disability or their affiliation to FSU. (NOTE: in the past all spaces have been allocated within the first 30 days after applications were mailed out.)
 3. Incomplete request packets will not be processed by DEO. A completed request packet consists of: (1) an application (indicating the games you are attending, parking preferences, if any); (2) a copy of your disabled parking placard; and (3) a copy of your vehicle registration.
 4. If a participant is assigned two spaces, one through the Boosters and the second through the Disabled Parking Program, the Boosters will reassign the Booster-allocated parking placard to another Booster member.
 5. The individual assigned the Disabled Parking placard must be in attendance at the football games in order to use the disabled parking space
- PROCEDURES:

- 1) Complete the application: (http://diversity.fsu.edu/index.cfm?page=disabled_parking):
 - a) Check all boxes that correspond with each home football game you plan to attend.
 - b) Check whether you need an accessible van space.
 - c) If known, indicate a preferred parking space (DEO will make every effort to accommodate special requests).
 - d) Provide a copy of your disabled parking placard.
 - e) Provide a copy of your vehicle registration.
- 2) Return a completed Request Packet via:
 - a) Email: Scan all information and send to amwagner@admin.fsu.edu; or,
 - b) Fax: 850/645-9504. (please include cover page with contact information); or,
 - c) Mail: Office of Diversity & Equal Opportunity

Game Day Traffic Patterns

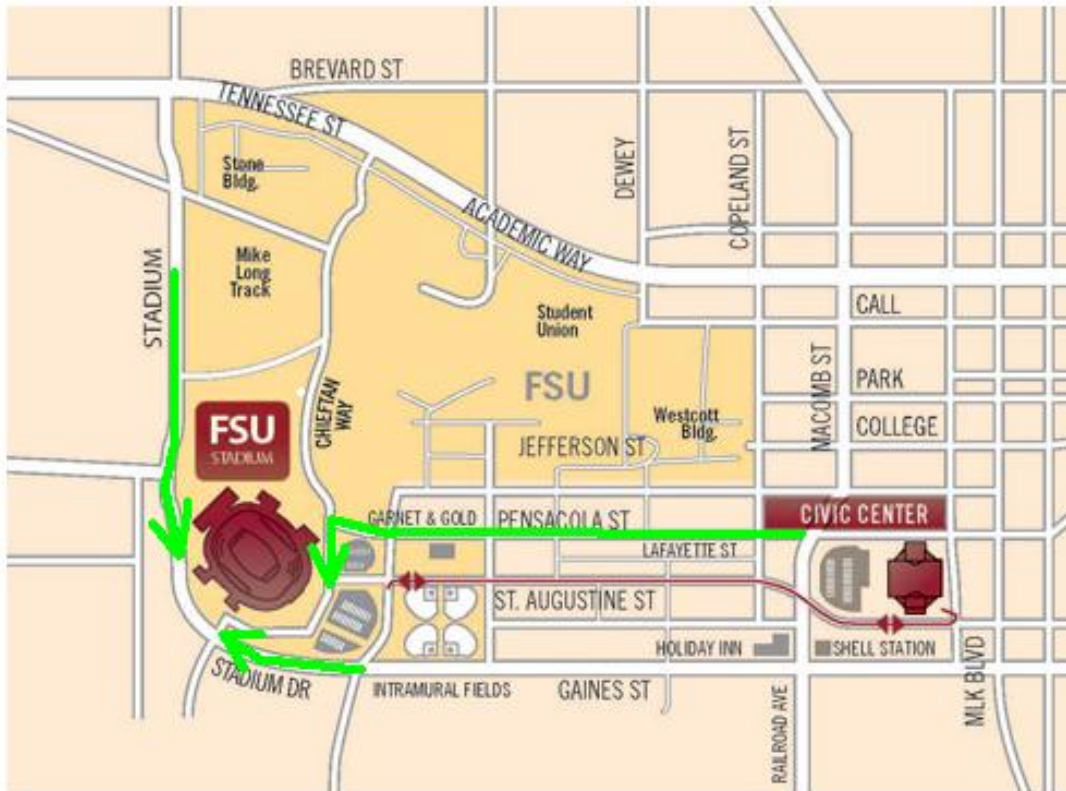

Four ½ hours before game time the Tallahassee Police Department will modify traffic patterns approaching the Doak Campbell Stadium. St. Augustine Street will be modified as a two-way street for the Spirit Express, and Stadium Drive, Jefferson Street west of Woodward, and Pensacola Street west of Macomb Street, will be modified to allow inbound traffic only to the stadium and ADA parking on Stadium Drive.

After the game, the Spirit Express route will remain active, and Stadium Drive, Pensacola Street, Gaines Street, Jefferson Street, and St. Augustine Street will be modified for outbound traffic.

All fans are reminded to plan ahead and arrive early to ensure you arrive in time for kickoff. Remember to be patient – law enforcement will work hard to facilitate your arrival and departure from the game.

Tailgating

As detailed in the FSU Alcohol Policy “tailgating” are gatherings occurring in the designated parking areas surrounding the area of Doak Campbell Stadium prior to and after scheduled football games.

- (a) Florida State University does not support or condemn the consumption of alcohol by individuals 21 years of age or older at tailgate events.
- (b) Florida State University does not condone any act related to excessive consumption of alcohol that impairs, interferes, or endangers the safety or enjoyment of anyone attending these events, including the individual who chooses to consume alcohol.
- (c) Individuals who choose to consume alcohol are responsible for their behavior and should not operate a motor vehicle after they have consumed alcohol.
- (d) The use of charcoal at tailgating activities on campus is strongly discouraged.
- (e) Tailgating: locations not reserved for booster operations (parking or traffic control) are on a first come first served basis. Tailgate locations cannot disrupt pedestrian traffic on sidewalks or violate university rules or state laws for safe operation.

How is alcohol consumption managed on game days?

Legal and responsible consumption of alcohol is allowed on campus on game days other than in the family-friendly (Bobby’s True Seminole Tailgate) in the Wildwood Plaza near Wildwood and Ragans Residence Halls. Please note the university police works in conjunction with local and state law enforcement such as the Leon County Sheriffs Office, Tallahassee Police Department, Alcohol Beverage and Tobacco and the Florida Department of Law Enforcement. Underage alcohol consumption laws are enforced and violators are subject to arrest.

NEVER DRINK AND DRIVE. The Leon County Multi-Agency DUI Strike Force patrols during game day weekends to strictly enforce Florida’s impaired driving laws. The message is simple – Over the Limit, Under Arrest.

Alcoholic beverages are not allowed inside Doak Campbell Stadium. Certain enclosed areas surrounding the stadium (i.e. University Club, Skyboxes, etc) do allow alcoholic beverages; however, these may NOT be brought into the patron seating area in the stadium or under the bleachers. Persons willfully violating this rule will be politely directed to leave the game. Persons who attempt to conceal alcoholic beverages in order to bring them into the stadium will be ejected from the game.

Emergency Response

The FSU Police Department, local law enforcement partners, and other emergency management professionals go through great lengths to ensure the safety of game day patrons before, during, and after the game. In the event of an emergency during the game, officials have the capability of communicating with fans through the stadium public address system, the main video screen, televisions located near vending locations within the stadium in addition to other means of communication using the FSU Alert Emergency Notification System. Instructions will be given to fans regarding evacuation orders, or other information that may convey important emergency information. Fans should at all times carefully listen to instructions and follow them. Law enforcement officers and other public safety professionals are provided with emergency instructions and training to assist in the event of a major emergency.

For general law enforcement and medical needs, the stadium is fully staffed with law enforcement officers and medical professionals. Some important numbers to remember are:

[General Seating for Students](#)

It's as easy as 1, 2, 3. There is only 1 seat per person, so you cannot save seats; it is first come first serve. The stadium opens 2 hours before kickoff – suggested gate entry is Gate K, L or M. Students are permitted to line up for entry at any gate 3 hours prior to kick-off. As indicated on the map student seating is sections 40 thru section 7.

[City of Tallahassee Gaines Street Project](#)

As part of the Gaines Street Improvement plan, Gaines Street is being rebuilt from a 2-way, 4-lane road to a 2-way, 2-lane street, with limited on-street parking from Woodward Avenue to Monroe Street. The work along Gaines Street is part of the City Commission's goal to create an 18-hour, pedestrian friendly downtown. During the coming years, as the economy improves and development demand increases, this vital link between both local universities and downtown will become an urban corridor with public art displays, businesses and live/work spaces.

Due to the construction project patrons parking in lot 14 will be re-routed after each home game for the 2011 season. Patrons will travel south on Gaines Street to Lake Bradford. Patrons attempting to travel to the north side of Tallahassee can take one of the following routs:

- South on Lake Bradford Road to Orange Avenue(East) to North Monroe Street
- South on Lake Bradford Road to Orange Avenue (West) to Capital Circle (SW)

Patrons attempting to travel to Interstate 10 should take

- South on Lake Bradford Road to Orange Avenue (West) to Capital Circle (SW) to Capital Circle (NW) to Interstate 10

Patrons attempting to travel to State Route 20 (Panama City) should take

- South on Lake Bradford Road to Orange Avenue (West) to Capital Circle (SW)
To SR 20 (Blountstown Hwy)

The traffic pattern on Lake Bradford Road will be clearly marked with electronic message boards and City of Tallahassee Officers and Traffic Safety Personnel.

(See map below)

LOT 14 NEW POST-GAME EXIT ROUTE INSTRUCTIONS

- Due to road construction along the West Gaines St. corridor, boosters parking in Lot 14 will have a different exit pattern utilizing Lake Bradford Road and Orange Ave for the 2010 football season.
- Post-game tailgating will be extended in this lot to ease potential traffic jams.
- The new exit route provides access to Monroe Street for fans wanting to go north or downtown and to Capital Circle SW/SE, which will expedite their travel time to I-10.
