

WELCOME TO FLORIDA STATE FOOTBALL

Florida State football has enjoyed unprecedented success on the football field as well as in the classroom where the program has provided a number of the nation's top academic and leadership award winners. Bobby Bowden begins his 28th season at Florida State trailing only Joe Paterno on the all-time college football wins list. His 2003 team returns all but one starter on defense, but must replace seven starters on the offense. The Seminoles face a schedule already listed among the toughest ever with a total of 18 National Championships won by the opponents. For a brief look at the overall strength of the Florida State athletics program, turn to page 190 for the beginning of a special section that chronicles the success that makes Seminole athletics such a proud tradition.
