Quotes

G. Guerrieri

Texas A&M Head Coach

Opening Statement:

"I'm incredibly proud of our players," said head coach G Guerrieri. "They proved to be a pretty worthy adversary for a terrific Florida State team. To be able to keep our discipline and play out of the pressure they put on us in certain parts of the field took some special efforts. Every one of the players on our team has a lot to be proud of. Our team has been able to battle through a lot of adversity this year and our players have been able to step up to different challenges.

On the outcome of the game:

"It was a tough game and it took some great play from Florida State to get it done. The winning goal was a terrific counter attack from them and a great individual effort to get into some tough places and to spin our players. It was a quality finish by Price.

Mark Krikorian

Florida State, Head Coach

Opening Statement:

"That was a heck of a college soccer game this evening. Two good teams playing good, attractive soccer fighting hard well within the rules. We feel very fortunate to be moving on."

"I thought that A&M pushed us. They made us make tough decisions through the course of the game, but at the end of the day it's nice to have Jess Price on your team. I said to Tiffany (McCarty) after the game that she played like a pro today out there. She held the ball up, turned, created chances for us, did everything that was necessary to create opportunities for us. I thought she was unlucky a couple of times in front of goal."

On the equalizer scored by Switzer:

"Of course, Switzer, a senior came through for us as we needed her to. That was a big goal for us drawing us back. We've been down a couple times this year, and it's important to think that the game isn't over down by a goal. Once again we proved to be resilient."

Lauren Switzer
Senior, Midfielder

On scoring the game-tying goal:

"It was a good ball from Shorty (Casey Short). I just had to redirect it. It was a difficult angle, but I was fortunate enough to get the ball into the back of the net."

Jessica Price
Sophomore, Forward

On what she saw as she dribbled towards the net:

"I wasn't really focused on the defenders; I was just focused on the goal. I was taking my time and put it away. I wasn't really aware of anything else going on around me, just putting that chance away."

On scoring the game-winning goal:

"It's an indescribable, amazing feeling; just to be celebrating with my teammates was an awesome feeling!"

Tiffany McCarty
Sophomore, Forward

On finding Price for the game-winner:

"I played it in and I saw her coming and the girl fell over and I was just walking slowly and was like, 'Uh, oh my gosh. Jess, Jess, Jess! Then she put it away, and I could have passed out.'"
