to FSU in recognition of the university's growing Chinese studies program.

- The FSU Museum of Fine Arts achieved the highest honor for a museum — accreditation by the American Association of Museums.
- On Aug. 29, 2003, FSU launched its “everythingFSU” gateway on the World Wide Web at fsu.com. The gate way showcases the best of the university each day, including news and features, and offers users a unique electronic postcard service.

Under the leadership of FSU's 13th president, T.K. Wetherell, who took office in January 2003, and its 13-member Board of Trustees, the university continues to build on the foundation of its history of excellence in scholarship, research and service.

The trustees are: Chairman John Thrasher of Orange Park; Harold Knowles, J. Stanley Marshall and Jim Smith, all of Tallahassee; Emily “June” Duda of Oveido; David Ford of Rosemont, Pa.; Dr. Jessie Furlow of Quincy; Manuel “Manny” Garcia III of Winter Springs; William “Andy” Haggard of Coral Gables; E. Ann McGee of Winter Springs; Derrick Brooks of Tampa; FSU Faculty Senate President Valliere Richard Auzenne and Student Government Association President Jarrett Eady.

A senior member of the State University System, FSU was founded as an institution of higher learning in 1851 by legislative act. It began in Tallahassee with its first class of male students in 1857 and added women in 1858. FSU's operating budget is \$857

million. Faculty and administrators generate more than \$160 million annually in external funding to supplement state-sponsored research. Three direct-support organizations serve to bolster the university: the Seminole Boosters, the FSU Alumni Association and the FSU Foundation.

The main campus is spread over 448.3 acres in Tallahassee; FSU, which has one of the smallest campuses in the SUS, has been actively acquiring land in the 1990s. FSU encompasses 1,445.2 acres in Leon, Bay, Franklin, Gadsden and Sarasota counties.

Within the state, the university maintains facilities at its 25-acre campus in Panama City, its Marine Laboratory at Turkey Point on the Gulf of Mexico and the Asolo Performing Arts Center in Sarasota. The Center for Professional Development and Public Service, housed in the Augustus B. Turnbull III Florida Conference Center on the edge of the campus, provides extensive credit and non-credit continuing education programs statewide.

For years, FSU has reached far beyond Florida through international programs in Switzerland, France, Panama, Costa Rica, Spain, Russia, Vietnam, the Czech Republic, Greece, Croatia, Ireland, South Africa, Ghana and the Caribbean. FSU's student centers in Florence, Italy, and London, England, are considered by many to be the nation's best in Europe.

Florida State offers 300 graduate and undergraduate degree programs through its nine colleges — Arts and Sciences; Business; Communication; Education; Engineering (operated jointly with Florida A&M University); Human Sciences; Law; Medicine; and Social Sciences (which also in corporates the Reubin O'D Askew School

of Public Administration and Policy) — and eight schools — Criminology and Criminal Justice; Information Studies; Motion Picture, Television and Recording Arts; Music; Nursing; Social Work; Theatre; and Visual Arts and Dance.

With 2,119 members, the FSU faculty has included 10 National Academy of Sciences elected members, four American Academy of Arts and Sciences members and five Nobel laureates. It is backed by 3,682 administrative and support staff members.

Library holdings at Florida State include 2.6 million book titles and 9 million micro forms. The main library facility, the Robert M. Strozier Library, is linked by computer to other state university and national research libraries. The Paul A.M. Dirac Science Library is located at the heart of the university's science research complex. FSU also maintains music, library science and law libraries, and the Mildred and Claude Pepper Library.

FSU's 6,851 graduate students pursue advanced degrees in fields as diverse as business administration and theoretical particle physics. A majority of research done at FSU is the direct result of student effort, culminating in numerous books, monographs and journal articles relating to the whole spectrum of intellectual interests and the practical needs of society.

Of FSU's 37,328-student population, 56.3 percent are female, 43.7 percent are male, 27.6 percent are minorities, and 3.8 percent are foreign students.

This is Tallahassee

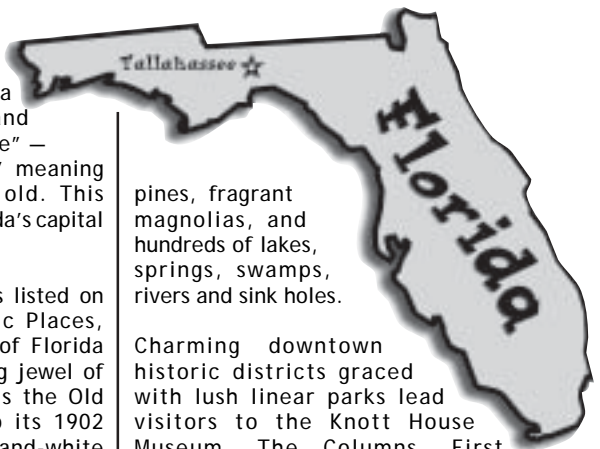

A mong low, rolling hills, down moss draped canopy roads, within picturesque historical districts, and across seas of flowering azaleas lies a magical part of the Sunshine State-Tallahassee, Florida's capital city. With its intriguing combination of power-play politics and classic character splashed with a twist of Southern beauty and charm, Tallahassee is a side of Florida few expect to find.

With the Gulf of Mexico just 25 miles south and the Georgia border only 14 miles north, Tallahassee rests between the foothills of the Appalachian Mountains and the juncture of Florida's panhandle and peninsula in an area known as "The Big Bend." Nearer in miles to Atlanta than to Miami, Tallahassee more closely resembles its Georgia neighbor than Florida in topography, climate and lifestyle.

Like the city itself, the story of how Tallahassee was chosen as the state capital is rich in history. In 1823, two explorers set out — one on horseback from St. Augustine and the other

by boat from Pensacola — to establish a permanent, central location for the seat of government. The two met at a beautiful site that the Creek and Seminole Indians called "tallahassee" — derived from the words "talwa," meaning town, and "ahassee," meaning old. This historic meeting place remains Florida's capital today.

Boasting more than 145 properties listed on the National Register of Historic Places, Tallahassee is a living showcase of Florida history and heritage. The crowning jewel of Florida's historic "Capitol Hill" is the Old Capitol, beautifully restored to its 1902 splendor complete with the red-and-white striped awnings, a dome adorned with stained glass, antique furnishings and political memorabilia. The 22nd-floor observatory of the New Capitol Building offers a breathtaking view of this surprising Southern city, awash in flowering azaleas, snowy dogwoods, towering

pine, fragrant magnolias, and hundreds of lakes, springs, swamps, rivers and sink holes.

Charming downtown historic districts graced with lush linear parks lead visitors to the Knott House Museum, The Columns, First Presbyterian Church, John G. Riley House Museum and Old City Cemetery. Free walking tours and replica turn-of-the-century street cars carry passengers to antebellum mansions, picturesque churches and other downtown delights.

Minutes from downtown lies the lush 52-acre natural habitat and 1880s farm of the Tallahassee Museum of History and Natural Science, home to the rare Florida panther and other furry "natives."

The area surrounding Tallahassee reveals numerous other historic and archaeological treasures, such as De Soto State Archaeological and Historical Site, Lake Jackson State Archaeological Site, Mission San Luis, Natural Bridge Battlefield and San Marcos de Apalache. Visitors can explore prehistoric Florida at the Museum of Florida

TALLAHASSEE

In 1823, the first civilian governor, William Pope DuVal, desired a central location for the legislature to meet. He sent one explorer on horseback from St. Augustine and another by boat from Pensacola — their rendezvous point was declared Florida's capital. Nestled among the rolling foothills of the Appalachian Mountains and located in a region of the Gulf of Mexico known as the Big Bend, the Capital region is known for its Southern characteristics, gracious hospitality and lush topography.

CLIMATE

Tallahassee has the mild, moist climate characteristics of the Gulf States and experiences a subtropical summer similar to the rest of Florida. In contrast to the Florida peninsula, however, the panhandle, of which Tallahassee is a part, experiences four seasons.

Annual January temperature: 40-63° F
 Annual July temperature: 72-91° F
 Yearly average maximum temperature: 78.7°
 Yearly average minimum temperature: 55.7°
 Yearly average days above 90 degrees: 91.0
 Yearly average days below 32 degrees: 35.7

PHYSIOGRAPHY

Tallahassee's rolling landscape, typical of regions further north, is unique among the major cities of Florida. Some areas of the county, including the downtown ridge encompassing the Capitol complex, City Hall and the County Courthouse, exceed elevations of 200 feet. The highest elevation in Leon County is 288 feet, found in the northern part of the county. To the south of the city, the hills yield to the flat terrain that is typical throughout the peninsula of Florida.

History, where they are greeted by a giant 12,000-year-old mastodon pulled from nearby Wakulla Springs.

On the shores of Wakulla Springs, alligators still laze under the watchful eyes of "snake birds" perched on twisted cypress trees. The site of many underwater scenes in "Tarzan" movies, it's one of the world's deepest freshwater springs. Glass-bottomed boat tours across these mystical waters are available.

Other sightseeing favorites include the floral

masterpiece of Alfred B. Maclay State Gardens; Bradley's Country Store; FAMU Black Archives; and the Tallahassee Antique Car Museum. Nearby small towns offer fascinating excursions to places such as Pebble Hill Plantation, Florida Caverns State Park, Monticello Opera House and St. George Island.

Tallahassee is almost as rich in cultural treasures as it is in history. A widely-acclaimed collection of art, science and history museums and galleries, year-round festivals and non-stop entertainment at the 14,000-seat

This is Tallahassee

Tallahassee-Leon County Civic Center, feed a variety of cultural appetites.

Visitors with a hunger for the great outdoors will find Tallahassee ideal for all types of outdoor recreation—from canoeing down dark, cypress-lined rivers and biking up steep slopes to exploring backcountry wildernesses and hunting for bobwhite quail. Area lakes, rivers, ponds and the Gulf — just 30 minutes away — offer a paradise for boating and fishing. Lakes Jackson and Talquin are renowned in the bass fishing world for yielding the “big ones.” Local wildlife areas, such as the St. Marks National

Wildlife Refuge and Apalachicola National Forest, are perfect spots for camping, picnicking, swimming, biking and exploring.

And while Tallahassee also features eight golf courses and plenty of places to raise a racquet, it's a wild array of spectator sports that leave the crowds screaming for more. The Florida State Seminoles and Florida A&M Rattlers provide collegiate action. And always a sure bet are the nearby greyhound races.

For another favorite “sport” — shopping — two large regional malls and many specialty

centers offer an array of “playing options,” from popular chains to curiosity and antique shops. Unique shopping locales include downtown parks, lakeside cottages and small Southern towns. Tallahassee serves a scrumptious selection of tantalizing restaurants ranging from fast food to five-star. Local specialties include homemade country sausage, melt-in-your-mouth steaks, wild game and succulent seafood fresh from the Gulf.

From luxury to economy, accommodations are plentiful and include restored bed and breakfast's, rustic “gentlemen” lodges, beachside escapes and comfortable chain hotels. For those who choose to follow in the footsteps of early travelers, Tallahassee also boasts 15 beautiful campsites. Continuous air service, Amtrak and four major highways make it easy for visitors to get to Tallahassee. But no matter how you arrive, the history and hospitality of Tallahassee make it difficult to ever leave for long.
