Who should attend...

The Furman Cheerleading Camp is designed for all students entering 4th through 12th grades in the fall of 2008 who desire to improve their cheer, dance, motion, tumbling and jump techniques.

About the camp...

The Furman Cheerleading Camp will help cheerleaders develop skills and techniques for participation in youth, middle school, high school and all-star cheerleading programs. The Furman Cheerleading Camp is a skills camp; emphasis will be on learning the correct and safe execution of skills needed for the various facets of cheerleading. Participants will take part in motion, dance, jump, tumbling, stunting and safety classes. Other fun and educational activities will be provided as well.

Because performance levels of campers will vary from beginner to elite, instruction is individualized. Participants will be grouped according to age and skill level. Cheerleaders participating in the full-day camp (rising 4th through 12th graders) will have a 8-to-1 student to instructor ratio.

All cheerleading instruction will take place in the air-conditioned Alley Gym on the Furman University campus. The cheerleading camp will be the only group using the gym during cheer camp hours. A 40' x 60' competition cheer mat will be used to ensure the safety of all participants.

The camp is directed by Jennifer Johnson, a former Furman cheerleader and competitive gymnast with over 18 years of experience in coaching and directing cheerleading and gymnastics programs at various levels. The camp will be staffed by current Varsity Furman Cheerleaders.

Tuition for the Full-day Camp is \$130.00. Lunch in the Furman Dining Hall is included and all campers participating in the full-day camp receive a camp T-shirt and set of pom-poms. A non-refundable registration fee of \$25.00 will reserve a spot for your child. Spaces are filling up. The registration form (and information on how to register) can be found on the Furman Cheerleading web page at www.furmanpaladins.com.
