QUOTES**

**OHIO STATE HEAD COACH TY TUCKER**

*On advancing to the quarterfinals...*

"Obviously we got very lucky today. We lost a few match points in doubles and we lost the team match point, so you start thinking it's not your day and then all of a sudden a senior in high school steps up and won a match against a senior in college, which usually doesn't happen. That's not the match-up coaches usually look for, a senior on a freshman. Hats off to Oklahoma."

**OHIO STATE PLAYERS**

**FRESHMAN JJ WOLF**

*On clinching the match...*

"It's all just a blur right now. I was just trying to get the next point for my team. It obviously could have gone either way, Andrew Harris is a great player. So I was trying to throw my energy into the next point and do my best and it worked out. I couldn't ask for a better opening round than that. We like to be tested early, battle ready."

**OKLAHOMA HEAD COACH NICK CROWELL**

*On today's match...*

"It was an unbelievable fight. I mean, just super proud of our guys. No one expected to win that match except us, and that's why we're disappointed. We thought we could win the match, and I'm just really proud of how our guys competed today, handled themselves. The fight was unbelievable."
