QUOTES**

**NORTH CAROLINA HEAD COACH BRIAN KALBAS**

*On advancing to the quarterfinals...*

"I'm really proud of our team. That's probably the best doubles we've played in a while. Doubles point was key, they beat us pretty handily the first time so for us to get the doubles point got us off to a good start. The top three spots did a great job of getting the first sets and closing it out in the second. Duke was battling and they played well so you have to give them credit, they were prepared and didn't give up. We know when you're playing a rival like this there are no mysteries, you know each other real well so it's about executing your game-plan and we did that today."

**NORTH CAROLINA PLAYER**

**JESSIE ANEY**

*On clinching the match...*

"There's nothing better, I have no words. This is probably the best feeling of my life to clinch against Duke, and to be a part of the rivalry is an honor. Getting the win is even better and to clinch is something I never thought I would get to do."

**DUKE HEAD COACH JAMIE ASHWORTH**

*On today's match...*

"We're better off than we were a year ago, where we are right now looking into next year. And I thought that we did a good job of getting here, no way we were satisfied with getting here, but I think we have a bright future to keep building on. The biggest thing, I thought, is that we started this season with a bunch of individuals and right now it's a true family. They really did a good job playing for each other. The toughest thing is to see that end, knowing how much they put in for each other, and how close this team is."
