

**LETTERWINNERS CLUB**

Fellow Letterwinner! Greetings from the officers of your Georgia Tech Letterwinners Club. The campus is BUZZING with excitement as our student-athletes prepare to kickoff another successful year of Tech athletic competition.

This year the Letterwinners Club seeks to advance its mission and we need your financial support to the **GT Letterwinners Club Scholarship Endowment (Letterwinners will no longer be required to pay dues)**. Through your donations we will better support our student-athletes despite the economic downturn in which we currently find ourselves. We are excited to report that during the past year we have made progress toward increasing our active membership. With your support, we can continue that progress and make our Club one of the best in the nation. Please complete the form below and return it to me as soon as possible. Also, please feel free to **copy the form and pass it along to other letterwinners and encourage them to join.**

**Thanks for your continued support and active participation.**

Lucius Sanford, Executive Director (Class of 1978) on behalf of all GT Letterwinners Club Officers.
