Just GEORGIA TECH, Please

The Georgia Institute of Technology is the official title, but Georgia Tech will work fine, or just Tech (unless you're in Virginia or Texas). We would appreciate it if you would use our name in those ways. Georgia Tech University is incorrect. Thank you.

Media Information

Interview Guidelines

Georgia Tech's practices are closed to the public and the media, but the Yellow Jackets' players and coaches are available to the media on a daily basis after practice, either on the main floor or in the waiting area outside the team's locker room at Alexander Memorial Coliseum. The daily practice schedule varies, so media are asked to notify Mike Stamus whenever you plan to come and conduct post-practice interviews.

TV stations occasionally will be allowed to shoot B-roll during the final half-hour of occasional practices during the course of the season (announcements will be made on this).

Interview requests with players that need to be conducted at other times of the day must be made through the media relations office at least 24 hours in advance. These interviews will be conducted at the sports information office, generally around lunch time, subject to the players' availability and class schedule.

Media are asked not to contact players directly either by phone or e-mail. Every effort will be made to make players available when necessary. Players are off-limits on game days until after the game. Freshmen players are not available for interviews until after Tech's first regular-season game.

Interviews with Coach Hewitt

Media wishing to speak with Coach Hewitt at times other than after practices are asked to set up an appointment in advance through the media relations office. He also is available each week on the ACC Teleconference, and other teleconferences may be scheduled as demand warrants.

Satellite Feeds

Game highlights will be uplinked after all of Tech's non-televised home games. Details for these feeds will be announced on a case-by-case basis. At various times during the season, the media relations office will uplink interviews with Coach Hewitt and Tech players, game highlights and practice footage, oriented to upcoming games.

Releases/Photos via E-mail

All Georgia Tech basketball releases, game notes and media advisories are distributed via e-mail to a list maintained by the media relations office. Media wishing to be added to this list should send a request to Mike Stamus. Photographs are available on request.

Ramblinwreck.com

Georgia Tech's official website, Ramblinwreck.com, is continuously updated with all of Tech's releases, statistics, game notes, biographies and other information. Game notes and bio updates are generally posted at least 24 hours prior to each game, while updated statistics and box scores are posted following each game.

Media Credentials for Home Games

Press credentials are issued to accredited members of the working media only. Working space is limited, and children, spouses and other non-workers will not be granted credentials or access to media areas. Requests for credentials should be made in writing, via e-mail or fax, at least 24 hours in advance of each game

to Mike Stamus. These requests are accepted from sports editors and sports directors only. Credentials can be mailed if time permits. Those not mailed will be left at the Will Call window at Gate 1, on the 10th Street side of the arena.

Still photographers and videographers *on assignment for a media agency only* are granted credentials (no freelancers). Admission to courtside is by floor pass only, and photographer positions are at the discretion of the basketball game officials and the media relations staff.

Post-Game Interviews

Coach Hewitt and the visiting team's head coach will each hold a post-game press conference in the Hyder Room, located adjacent to the media work room, per Atlantic Coast Conference policy.

Players requested by the media will be brought to the basketball weight room, adjacent to the Tech dressing room, for their interviews following Coach Hewitt's post-game press conference. The immediate locker room, lounge, showers and training room are off-limits to everyone but players and coaches.

ACC Coaches' Weekly Teleconference

The 12 ACC head basketball coaches will be featured on nine Monday teleconferences during the 2007-08 season. The season's first teleconference will take place on Monday January 7, and continue through Monday, March 10. Each coach will have 10 minutes to make an opening statement and answer questions. There will be an instant replay of each teleconference on the Conference's internet site TheACC.com each Monday afternoon.
