# GEORGIA TECH FOOTBALL

Dear Georgia Tech Football Fan:

I want to thank you for the overwhelming show of support we have received in our first year at Georgia Tech. I'm very excited about the upcoming season and we are working hard to make sure that we have a program everyone will be proud of. We have several returning starters including ACC Player of the Year Jonathan Dwyer and we are hoping for some exciting times here at Bobby Dodd Stadium this fall. Thanks to those of you who are already season ticket holders and welcome to those of you who are coming on board for what we hope will be a fun ride.

This publication should provide everything you'll need to order or renew your tickets for the 2009 season. Our home schedule includes six games with Georgia, Clemson, Virginia Tech, North Carolina and Wake Forest among those visiting historic Grant Field at Bobby Dodd Stadium.

As you review the brochure, please note the important dates and deadlines and pay special attention to the new TECH Fund chart which I'm told has undergone a few minor changes for 2009. Also, it is important to note that only Georgia Tech season ticket holders will have the opportunity to purchase tickets to our game against Georgia in 2009. The guidelines for ordering Georgia tickets can be found in this document.

Finally, there is one more very important element. I would like to ask that all Tech fans bring a friend into the season ticket fold this year. Our fans are our best sales force. There is a space on the ticket order form to refer a friend and our sales staff will be happy to contact them or send along a copy of this brochure. Please note there is also a space for current season ticket holders to increase your allotment if you so desire.

Don't miss out on Georgia Tech football in 2009 and beyond. It is an honor to serve as your head coach! Go Jackets!

Paul Johnson  
Head Football Coach
