

Help us speed up entry to the stadium by following these game day tips:

- **Have your ticket displayed on your phone before you get to the gate.**
- **Check the game date on your ticket! Be sure you have the correct game displayed.**
- **Set the brightness on your phone at the highest level.**
- **Arrive early! Gates open 90 minutes prior to kickoff. Arrive at least 45 minutes prior to avoid the heaviest pre-game congestion.**
- **All persons entering the stadium will be wanded by metal detectors. Remove ALL items from your pockets prior to being screened.**
- **Do not get caught at the gate searching for your ticket!**
