

In order to tryout for a varsity sport at The George Washington University (GW), a student must have either been cleared by the GW Athletics Department team physician or have a note from their physician. If a note is obtained from the student's physician the student will be permitted to have a one (1) day tryout (14 day tryout for men's and women's crew **ONLY** during the fall semester) until such time they have been seen and cleared by the GW Athletics Department team physician.

A student obtaining a doctor's note for the one (1) day/14 day tryout **MUST** ensure the note states the following:

“[Full name of student] has undergone a medical examination/evaluation administered and/or supervised by [Name of Physician]. The examination/evaluation was administered on [date] which is within five months of today's date. Based on the medical examination/evaluation the above student has been cleared for vigorous physical activity.”

The above statement **MUST** appear on the physician's letterhead and be signed and dated by the physician who performed or supervised the examination/evaluation. The above statement **MAY NOT** be modified in any way.

The statement may be mailed or faxed to the following:
