

NOTIFICATION OF OUTSIDE COMPETITION DURING THE ACADEMIC YEAR

In accordance with NCAA Bylaw 14.7.1.1 Outside Competition Exception, it is permissible for a student-athlete in any sport other than basketball to compete outside of his/her GW program's declared playing and practice season during the academic year as a member of an outside team in any noncollegiate, amateur competition during any official vacation period published in GW's Undergraduate catalog. In addition, NCAA Bylaw 14.7.1.4, Competition as Individual/Not Representing Institution, it is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team. Student-athletes may only represent GW during the academic year. However, under certain circumstances and with prior approval of the GW Athletics Department, a student-athlete may participate in outside competition as an individual not representing GW. This form constitutes official permission for the student-athlete to participate in the activity listed below with proper approval.
