

Who do I contact if I have questions?

Recruiting violations by GW employees and/or Representatives will result in the prospective or enrolled student-athlete becoming immediately ineligible to represent GW in intercollegiate athletics. A major recruitment violation can cause a prospect or current student-athlete to become permanently ineligible for intercollegiate athletics at GW.

Therefore, The George Washington University encourages all employees and representatives of GW athletic interests to contact the Department of Athletics if there is doubt concerning their contact with potential or enrolled student-athletes. Should you, at any time, have a question please do not hesitate in directing these inquiries to:
