**Coach Hobbs** has concluded his 8th season as the Head Basketball Coach at The George Washington University. Coach Hobbs has created a buzz in the DC area and the Atlantic 10 by winning back-to-back regular conference season championships, while going a perfect 16-0 in conference play in the 2005-06 season. With three straight NCAA Tournament

appearances (2005-2007), Coach Hobbs has put GW on the map as one of the dominant programs in the East Region and the Colonials have been recognized as a national power. It has been noted that Coach Hobbs' basketball philosophy of pressure defense and up-tempo fast break style of play is very appealing to highly touted recruits looking to develop their game at the next level.

The Karl Hobbs Basketball Academy is an excellent opportunity for boys and girls ages 8 - 16 to experience the basketball philosophy and principals that permeate throughout the GW basketball program on a daily basis. Coach Hobbs' coaching staff serves as the perfect complement to his teachings and will provide participants first-hand insight and training of what it takes to improve, on and off the court. During each five-day session, campers are exposed to a high level of intense basketball instruction and motivation that will assist beginners and experienced players to improve their game. The Hobbs era is in full swing... Come and be a part of the excitement of GW Basketball!
