GW'S BIG MAN & PERIMETER PLAY CAMP

The Karl Hobbs Basketball Academy

JUNE 27-29, 2008

Venue:

The camp will be conducted at the air-conditioned Charles E. Smith Athletic Center on the campus of The George Washington University, located at the corner of 22nd & G Streets, NW. The Charles E. Smith Athletic Center, home of GW's men's and women's basketball since 1975, features:

- 1,000 square-foot main arena
- Two multi-purpose, auxiliary gyms

Coach Hobbs has concluded his 7th season as the Head Basketball Coach at The George Washington University. Hobbs recently made history by leading the GW Colonials to their third straight NCAA Tournament appearance (2005-2007). Coach Hobbs has established himself as one of the most successful coaches in college basketball today, and is noted for developing his student-athletes into complete basketball players.

GW's Big Man & Perimeter Play Camp is an excellent opportunity for young developing talented players (8th, 9th, 10th, and 11th graders) to improve their skills to compete at the varsity level.

Coach Hobbs' coaching staff serves as the perfect complement to his teachings and will provide participants first-hand insight and training to develop the skills required to become a real player at the next level.

During the 2 1/2 day session campers are exposed to a high level of intense basketball instruction and motivation to improve their game.

COACH HOBBS at GW

A-10 Conference Regular Season Championships (2004-05 & 2005-06)
