

Camp Goals

The Grand Valley State Little Lakers All Sports Camp is a way for children of all ages to learn the principles and fundamentals of being physically active and healthy. The camp will be instructed and supervised by GVSU coaches and athletes who will instruct the campers in numerous activities while also mentoring the campers in the qualities that represent GVSU athletics. The campers will be taught the value of hardwork, determination, teamwork, setting goals, and the idea of having fun in sports and physical activity. These are all lessons that GVSU athletes use everyday whether on or off the playing field. So come and experience the Grand Valley State Little Lakers All Sports Camp in order to have fun and become physically fit this summer.
