

SUMMER AID APPLICATION

Here is the application for Summer 2011 Financial Aid. All applications will be reviewed on a case-by-case basis. Please note that completion and submission of a summer aid application does **not** guarantee an offer of aid.

Summer Aid applications will be closely scrutinized. You will be initially considered for summer aid under the following circumstances:

- You need summer aid to complete your degree; that is, Summer 2011 is your last term.
- If, with summer aid, you will only need one semester of Fifth-Year Aid for graduation.
- You will use summer aid toward completion of your **first** degree. Aid will not be given to complete a second degree, a minor, or coursework in addition to your first degree's requirements

Given the financial climate we are experiencing, please be aware that Athletics will distribute any available financial assistance in an equitable, responsible manner. This distribution will be at the discretion of the Athletic Director.
