Camp Staff

Head Coach Lisa Ryckbosch and her entire staff will lead the way as they bring a wealth of experience and enthusiasm to the court. Each coach will be involved in every aspect of teaching and coaching at the camp. The individual attention received by each camper and the coach to player ratio, surpasses most other camps.

Many current UIC players will be on hand to share their expertise. The coaches and players will help you improve your game, but also show you what the UIC Women's Basketball Program is all about.

Over the past seven seasons, Ryckbosch and her staff have taken the UIC Program to new heights. In 2007, the Flames competed in the WNIT for the program's first post-season berth, as well as established a new school record for wins in a season. This past season, Ryckbosch and her staff became the winningest coaches in the history of the program, with over one hundred wins. Returning the Horizon League Newcomer of the Year, another member of the All-Newcomer Team and an All-Horizon League 2nd Teamer, the future is bright for the Flames!
