UIC Flames Tennis Summer Camp 2008

June 23 - June 27

WHY YOU'LL LOVE OUR TENNIS CAMP

Shannon Tully and her tennis staff take enormous pride in the quality of their tennis camp. Instructional programs are geared to the specific level of each player. Throughout the week, players will improve their fundamentals, gain a greater understanding of the game, and have a lot of fun in the process!

PHILOSOPHY

The UIC Flames Summer Tennis Camp has been designed to give every player a positive tennis experience while improving on the court. We are committed to providing individual attention and feedback, and sending each player home with enthusiasm and love for the sport.

LOCATION

The Flames Athletic Center is located at 839 W. Roosevelt Road, between Halsted and Morgan streets. The tennis courts are directly behind the building, just south of the baseball and softball fields.

RAIN POLICY

UIC does not have an indoor facility. In the unfortunate event of inclement weather, camp will not be held. Players who have signed up for a half-day may make up a session in another time slot offered during the week. Saturday and Sunday (June 28-29) will also be reserved as rain dates if so needed. Please call 773.818.5484 if unsure about the weather on a particular day. Friday from 4:30-6:30pm will be reserved for a tournament group rainout.
