THE 'DOC' LEWIS AWARD

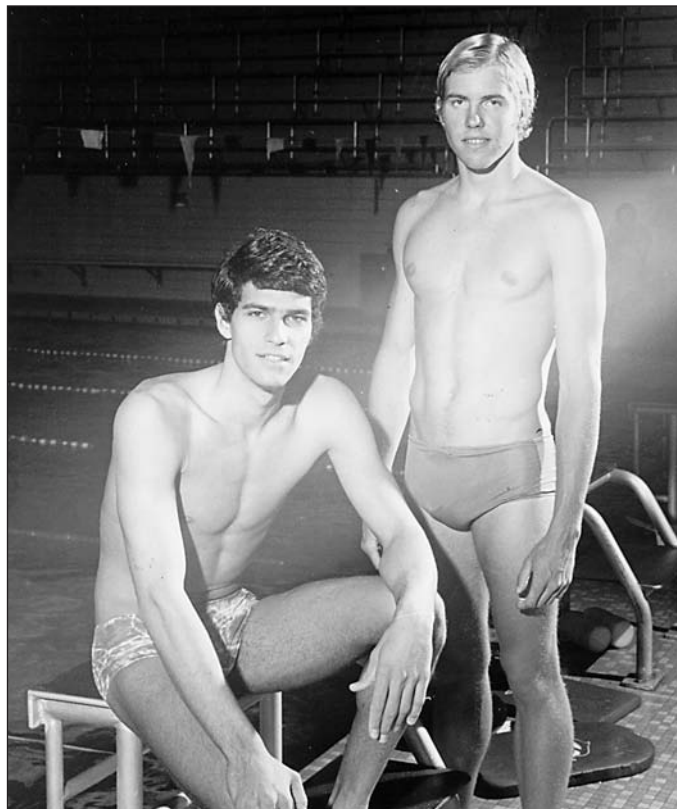

This award is named after Dr. Ronald "Doc" Lewis, a long-time supporter and volunteer assistant diving coach for the Indiana University diving program. Doc was a microbiologist for the EPA and in his spare time worked tirelessly for the diving program. When he retired, he moved to Bloomington and devoted countless hours of service. This award is presented annually to an individual who has made significant contributions to the IU diving program.

MARGE COUNSILMAN SERVICE AWARD

This award is named after Marge Counsilman, the wife of legendary coach James "Doc" Counsilman. The long-time supporter of the Indiana University swimming and diving program, Marge served as the surrogate mother for countless student-athletes that made their way through Bloomington. This award is presented annually to an individual who has served the IU swimming and diving program.

2006	Jennifer Brinegar

Indiana legends Mark Spitz (left) and Gary Hall (right) can be found all over the Hoosier record book. The two combined for 36 All-America citations and 16 NCAA individual and relay titles.

Cliff Looschen won both the 100-yard backstroke and the 200-yard backstroke Big Ten championships in 1985 and 1986.

NCAA RECAPS

Note: From 1985-present, top-16 finalists are considered All-Americans, with the top eight on the first team and the next eight earning honorable mention. Prior to 1985, top 12 finalists are considered All-Americans, with the top six considered first team and the next six earning honorable mention. Indiana did not compete in the NCAA Championships in 1961, 1962 and 1963 due to football recruiting violations. All-Americans for these seasons are based on top times from other meets in the All-American rankings. Additionally, swimmers who compete in the preliminaries for relays and help the team advance to finals, but do not swim in finals are also considered All-Americans.

Italics indicates NCAA Championship
Bold indicates All-American performance
(name) in relays indicates prelim swimmer who did not swim in finals, but earns All-American recognition.
