

Come join us for Indiana University's Swimming team's Junior Day following the World Championship Trials.

We hope your spring is off to a great start and you finished up your home meets where you wanted. We would like to invite you to a day on the campus of Indiana University, Sunday July 12, 2009 at 10:00 am. This is directly after World Championships Trials. It is only a 50 minute drive from the competition. Plan on coming down to Bloomington for a couple hours and learn about the IU swim program, meet the coaches and get a campus tour. Reserve your sport today by e-mailing our administrative assistant at chdubois@indiana.edu, space is limited so e-mail us today.

We look forward to getting to know you.
