MAKE A DIFFERENCE FOR HOPKINS TENNIS TODAY BY PARTICIPATING IN THE TENNIS CAPITAL PROJECT!
We would like to invite you to consider being a part of the legacy that is Hopkins tennis. Our players spend countless hours on the tennis courts preparing for competition. Your support will be a testimonial to the mission of our athletic department to attract tremendous student-athletes and build a championship program. Our facilities are in need of improvements and we truly hope you will consider making a difference today.

“The tennis program has established itself as one of the top programs in the country. A new tennis complex would allow for the tennis team to maintain and build on the traditions that have been established. Hosting Conference and National Championships on our new tennis complex would bring attention to all the great things our student-athletes and university are accomplishing.”

Chuck Willenborg, Director of Tennis & Men’s Head Coach

“A school with the reputation of Johns Hopkins University should have a tennis facility to match. A recruit touring the campus is impressed with everything JHU has to offer and then is let down by the lack of a great tennis facility. Upgrading our facilities would help draw top notch college players.”

Dave Woodring, Women’s Head Coach

“You would be a huge deal to everyone on the team. New courts and more facility would be a huge amount of pride not only to our tennis team, but our university as a whole. In the past, the condition of our facility has not allowed us to host some important matches which would have been amazing to play at home.”

Tanner Brown ’15

“The Hopkins tennis teams have won a great amount of success recently and has received in the Division III tennis community. However, the new facility will help push us to the next level and allow us to host a national championship. Your contribution is greatly appreciated!”

Hailey Hogan ’14

• Resurfacing of all six tennis courts
• New net fencing and retaining wall
• Permanent net between the tennis courts and baseball field to block foul balls
• State of the art lighting
• Spectator seating along Charles Street
• A plaza area with permanent restrooms and other fan-friendly amenities
• Storage facility
