#15 Delaware (13-5) vs. #5 Johns Hopkins (11-4)

**Saturday, May 26, 2007 • Noon
 M&T Bank Stadium • Baltimore, MD**

• NCAA Semifinals •

Setting the Scene: Third-seeded Johns Hopkins (11-4) and Delaware (13-5) meet for the first time in 23 years in the NCAA Semifinals at Baltimore's M&T Bank Stadium. The Blue Jays and Blue Hens will play in the first semifinal with faceoff scheduled for 12:05 pm.

Looking Back: Johns Hopkins sprinted out to a 6-1 halftime lead and cruised to a 14-6 win over sixth-seeded Georgetown. Hopkins had opened its NCAA Tournament run with an 11-10 win in overtime against Notre Dame in the first round. Delaware continued its magical run with a 10-6 win over UMBC in last week's quarterfinals. That followed a 14-8 win at defending national champion Virginia in the first round.

Poll Position: Johns Hopkins is ranked fifth in the USILA Coaches Poll and fifth in the Nike/Inside Lacrosse Media Poll. Delaware is ranked 15th by the coaches and 14th by the media. The Johns Hopkins Sports Information Office uses the USILA Poll to reflect JHU's official ranking at the time of a game.

These are the Facts: Johns Hopkins enters the game against Delaware with an all-time record of 869-272-15 (.758). The Blue Jays own eight NCAA titles, 29 USILA titles and six ILA titles for a total of 43 championships.

Blue Jays Advance to Semifinals for 27th Time: Last week's 14-6 win over Georgetown in the NCAA Quarterfinals moved Johns Hopkins into the NCAA Semifinals for the fifth time in six years, the seventh time in nine years and the 27th time overall. For comparison, only three other teams (Maryland-30, Virginia-30, Syracuse-27) have even qualified for the tournament 27 or more times.

Hopkins Earns Top Four Seed: Johns Hopkins earned the number three seed in the 2007 NCAA Tournament to extend its streak of top four seeds to 11 years. The Blue Jays have been seeded in the top four every year since 1997. Only one other team in the nation (Georgetown) has even qualified for the NCAA Tournament every year since 1997. The next longest streak of consecutive years earning a top four seed belongs to Virginia, which was seeded in the top four for the third straight season.

Johns Hopkins Earns 36th Straight NCAA Tournament Bid: The Blue Jays ran their NCAA record streak of qualifying for the NCAA Tournament to 36 straight years with their selection to this year's tournament. Johns Hopkins' current streak of 36 straight appearances in the NCAA Tournament is more than three times longer than the next longest active streak (Georgetown - 11).

Tournament Streak: In addition to boasting the longest active streak of qualifying for the NCAA Lacrosse Tournament, the JHU men's lacrosse team also boasts the longest active streak of qualifying for the NCAA Tournament in any Division I team sport.

To the right are the longest active streaks in each of the five major team sports in which the NCAA sponsors championships. Bowl games for Division I-A football are not included since they are not directly sponsored by the NCAA. Also, finishes at national championships in individual sports (wrestling/swimming/track) are not included.

Leading the Pack: In addition to the above streaks, the Johns Hopkins men's lacrosse team holds the record for the most overall appearances in the NCAA Division I Men's Lacrosse Tournament (36). To the right is a list of the schools with the most all-time appearances in the NCAA Division I Men's Lacrosse Championships.

Packing the Whites: For all the streaks the Blue Jays have that speak of their consistency through the years, there might be one that breaks is down to the most basic form. Johns Hopkins will wear its white jerseys against Delaware, a symbol that means the Blue Jays are the higher seeded team in the game. Amazingly, this will be the 19th consecutive NCAA Tournament game the Blue Jays have played (all under Dave Pietramala) as the higher seeded team. The

Notes about longer streaks:

- Last lost after lead at half at Syracuse (15-14) _____ 3-15-03

last time Johns Hopkins played an NCAA Tournament game as the lower seeded team was in the 2000 NCAA Semifinals, when the fourth-seeded Blue Jays fell to top-seeded Syracuse 14-12.

Pietramala Stands Alone: Johns Hopkins head coach **Dave Pietramala** is the only person in lacrosse history who has won an NCAA Division I Championship as a player (1987) and a head coach (2005). He is also the only person who has been named the national player of the year and the national coach of the year.

More Petro: Head coach **Dave Pietramala** coached his 100th game at Johns Hopkins against Loyola and improved his record at JHU to 83-19 (.814) with the win over Georgetown. His overall record now stands at 106-36 (including a 23-17 mark in three seasons at Cornell). Only Hall of Famers **Bob Scott** and **Henry Ciccarone** have won more games at Hopkins than Pietramala.

The Edge in Experience: Johns Hopkins head coach **Dave Pietramala** will bring the youngest team to this week's Final Four and two of the three other coaches have been on the sideline for more than twice as many games as he has. However, he does have a significant experience advantage in games coached in the Final Four. Saturday's game against Delaware will be the seventh game he has coached on lacrosse's biggest stage (fifth semifinal / two championship games). The other three coaches have coached a combined total of zero games in the Final Four.

Home Away From Home: The NCAA Semifinal game against Delaware will be the fifth game Johns Hopkins has played at M&T Bank Stadium since the first college lacrosse game was played there in 2003. JHU's all-time results at M&T Bank Stadium:

Date	Opponent	Result	Notes
May 24, 2003	Syracuse	W/19-8	NCAA Semifinals
May 26, 2003	Virginia	L/7-9	NCAA Championship Game
May 29, 2004	Syracuse	L/9-15	NCAA Semifinals
March 3, 2007	Princeton	W/7-6 (2OT)	2007 Inside-Lacrosse Face-Off Classic

Streaking: Johns Hopkins is 65-11 in its last 76 regular season games dating back to the end of the 2001 season and 75-15 overall since the start of the 2002 season.

Streak Snappers: Johns Hopkins is riding the crest of a seven-game winning streak entering this week's NCAA Semifinal game against Delaware. The Blue Jays' last two wins have come against teams that entered their game against Johns Hopkins with impressive winning streaks of their own as both Notre Dame and Georgetown carried eight-game winning streaks into the game against JHU. Delaware, JHU's opponent in the NCAA Semifinals, will carry a seven-game winning streak into the game vs. Hopkins.

Win Streaks Under Petro: Johns Hopkins enters this week's game against Delaware having won seven straight games since a 4-4 start. The seven-game winning streak is fifth winning streak of seven games or longer under head coach **Dave Pietramala**. Below is a look at the five longest winning streaks the Blue Jays have enjoyed under Pietramala.

Streak Dates (first win - last win)

17	March 5, 2005 - February 25, 2006
11	March 22, 2003 - May 24, 2003
9	March 26, 2002 - May 19, 2002
8	April 3, 2004 - May 22, 2004
7	April 14, 2007 - Active

One-Goal Turnarounds: The 11-10 overtime win against Notre Dame improved Hopkins' recent run of success in one-goal games as JHU is 29-6 in one-goal games under head coach **Dave Pietramala**. The Blue Jays have won 16 of their last 18 and 20 of their last 23 one-goal games. In the five seasons prior to Pietramala arriving (1996-2000) the Blue Jays were 5-8 in one-goal games.

More One-Goal Notes: The Blue Jays have come from behind to win 14 times during their last 16 one-goal wins. In 10 of those 14 come-from-behind one-goal wins the Blue Jays have come back from a deficit of two goals or more. The latest of these come-from-behind one-goal wins came against Notre Dame, when the Blue Jays erased a 4-1 second-quarter deficit.

Blue Jays Continue Overtime Roll: Johns Hopkins continued an amazing run of success in overtime games with the win against Notre Dame. The Blue Jays improved to 13-2 in overtime under head coach **Dave Pietramala** and have currently won nine straight games that have gone to extra time. More impressively, the Blue Jays are 6-1 in road games that have gone to overtime under Pietramala.

Junior **Paul Rabil** became the first player in school history to score two game-winning goals in overtime in one season as he had previously netted the deciding goal in the second overtime of a 7-6 win against Princeton this season before nailing the winner against the Terps.

Records indicate that Johns Hopkins played its first overtime game in the 1973 NCAA Championship game ... a 10-9 double overtime loss to Maryland. Hopkins boasts an overall record of 22-13 in 35 all-time overtime games.

Scouting the Delaware

Delaware Quickly: The Blue Hens enter the 2007 NCAA Semifinals riding a seven-game winning streak that dates to a thrilling 19-18 come-from-behind victory at Villanova on April 14. Delaware is making its first trip to the NCAA Semifinals.

It Starts at the X: Delaware boasts seven players with 14 or more goals, a goalie ranked among the national leaders in goals against average and save percentage and one of the winningest coaches in lacrosse history. But any conversation about the Delaware lacrosse team has to start at the "X", where senior faceoff specialist **Alex Smith** has rewritten the NCAA record book.

Smith has won 304-of-415 (.733) faceoffs on the year and has 169 ground balls to his credit. He leads the nation in faceoffs won and taken and his winning percentage is more than six percentage points ahead of the next-best percentage in the nation. Smith holds national career records for faceoffs won and attempted and ground balls.

Blue Hens Fashion Balanced Offense: While Smith is the catalyst for the Blue Hens, the opposition must also contend with one of the most balanced offenses in the nation. Seven different players have scored 14 or more goals and 10 different players have amassed 10 or more points.

Senior attackman **Adam Zuder-Havens** counts teams-highs of 35 goals and 46 points and has fired home a team-high three extra-man goals on the year. Freshman **Curtis Dickson** has made a smooth transition from the midfield and counts 20 goals and seven assists to his credit.

A pair of seniors lead the way at midfield as **Jordan Hall** and **Dan Deckelbaum** have combined for 52 goals and 19 assists on the year. Hall and Deckelbaum both scored three goals in last week's 10-6 win over UMBC in the NCAA Quarterfinals.

The seven-game winning streak almost directly coincides with a spark by the offense. The Hens were held to nine goals or less eight times in their first 11 games, but have reached double figures in all seven games during the winning streak.

Scherr Anchors Stingy Defense: Junior goalie **Tommy Scherr** spearheads a defense that has been as impressive as the offense during the recent winning streak. Scherr boasts a 7.80 goals against average and a .583 save percentage. The Blue Hen defense has held six straight opponents to nine goals or less after surrendering 51 goals in the four games prior to that.

- Sophomore **Brian Christopher** scored 1:22 into OT against Loyola on May 6, 2006.

- Junior **Paul Rabil** fired home the game-winner 56 seconds into the 2nd OT against Princeton on March 3 and tallied the game-winner 43 seconds into overtime in at Maryland (4-14-07).

Comeback Kids: Johns Hopkins has come from behind to win eight times this season, including six times during the current seven-game winning streak. The only three games the Blue Jays have not trailed in this season were against UMBC, Hofstra and Mount St. Mary's.

More Comeback Kids: The three-goal deficit (4-1) the Blue Jays overcame to knock off Notre Dame is the largest deficit Hopkins has overcome to win since erasing a 7-1 deficit in a 12-11 overtime win at Syracuse on March 18, 2005.

A Final Comeback: The three-goal deficit (4-1) the Blue Jays overcame to knock off Notre Dame is the largest Hopkins has overcome to win an NCAA Tournament game since erasing deficits of 3-0 and 4-1 against Syracuse in the 2004 NCAA Semifinals.

A Game of Runs: Several years ago the Blue Jays were well known for putting together some devastating scoring runs that weighed heavily in the outcome of their games. POLL NOTES: The Johns Hopkins Sports Information Office uses the STX/USILA Coaches Poll to reflect JHU's actual ranking at the time of the game. The only exception is for games early in the season prior to the release of a coaches poll. In this instance, the team's ranking is based on the Face-Off Yearbook Poll, which is a poll of all Division I head coaches.

In 2007 there wasn't an official coaches poll in Face-Off Yearbook. JHU's ranking at the time of the game for the Albany game was based on the Blue Jays' rank in the Nike/Inside Lacrosse Media Poll.
