## **MEN'S BASKETBALL SEASON TICKET TRANSFER POLICY AND REQUEST FORM**

Season ticket locations may be transferred to immediate family only (examples: parent to son/daughter, sibling to sibling). The season ticket holder transferring the seats must fill out this official ticket transfer form and file with the athletic ticket office. The new ticket holder must make the appropriate Ahearn Fund donation at the time of the transfer, even if the original ticket holder has previously made the per-seat contribution.

During each renewal period, men's basketball season ticket holders may renew their ticket location, transfer the seats (within the guidelines of the season ticket transfer policy), or release the tickets back to K-State Athletics for sale in accordance with the athletic department priority point system.

***Please note that priority points are non-transferrable and all point history will remain with the original ticket-holder at the time of the ticket transfer.***
