## BEARKATS BEGIN CANCUN CLASSIC ACTION AT KENTUCKY

Sam Houston State begins play in the 2009 Cancun Classic when they travel to historic Rupp Arena to meet the Kentucky Wildcats Thursday.

The Cancun Classic features eight NCAA Division I men's basketball teams and will be played November 18-25. There will be eight games played in the U.S. and eight games played at the Moon Palace Resort, a 5-star all-inclusive resort in Cancun, Mexico.

Cleveland State, Kentucky, Stanford, Virginia, Florida A&M, Oral Roberts, and Rider join the Bearkats in the event. Saturday, Sam Houston will travel to Cleveland State for the Kats' second Classic contest. The following week the Bearkats will head down to Mexico and open up with Oral Roberts on Nov. 24. The Kats will then take on either Florida A&M or Rider.

## BEARKATS SECOND "WINNINGEST" TEAM IN TEXAS IN 21ST CENTURY

Since the new century began with the 1999-2000 season, the only NCAA Division I men's basketball program in Texas that has won more games than Sam Houston State has been the Texas Longhorns.

Texas has won 248 games in the 10 seasons since 2000 while the Bearkats have totaled 192 victories. Rounding out the top five programs in Texas are Texas Tech and Texas A&M with 176 victories and Texas-El Paso 174.

## SAM HOUSTON "WINNINGEST" SOUTHLAND TEAM SINCE 1999

Marlin's 202-112 mark in his 12 seasons ranks the Bearkats as the "winningest" program in the league since 1998-99.

Since the 2000 season, Sam Houston stands behind only the Texas Longhorns in total victories for NCAA Division I men's basketball programs in Texas.

The Bearkats have finished among the top three teams in the Southland standings six of the last seven seasons.

Sam Houston won the Southland Conference regular season in both 2000 and 2003. In 2003, the Kats won the Southland tournament to advance to the NCAA tournament against Florida.

**BEARKAT LOOK FOR SIXTH CONSECUTIVE WINNING SEASON IN 2010**

With eight lettermen returning including the top four scorers from the Southland Conference's 2009 West Division championship team, Sam Houston State appears poised to continue its run of success under the direction of head coach Bob Marlin.

Marlin became the second coach to achieve 200 men's basketball victories in his Southland Conference tenure with Sam Houston's 18-12 record last year.

His 200 victories rank him behind Mike Vining who rolled up a 383-291 record at Louisiana-Monroe from 1983 to 2005. Ironically, Marlin served as a graduate assistant for Vining at ULM (then Northeast Louisiana) in 1982 and 1983.

**PERIMETER PLAY A PLUS FOR 2010 BEARKATS**

The return of 57.3 of the team's 76.0 points per game during the 2008-09 campaign gives Marlin a strong foundation to build upon for 2010.

"With all of our perimeter players returning, experience will be a plus for us," Marlin said. "Last year's team continued to improve as the season progressed, winning 12 of our last 15 Southland games. We ranked second in the league in three-point shooting and third in scoring."

Any discussion of the outlook for the coming season starts with the highest scoring back court duo at Sam Houston in the program's 22 years at the NCAA Division I level.

Corey Allmond and Ashton Mitchell combined for 27.8 points per game last year. The two seniors each averaged more than 30 minutes per game to give the Kats experienced leaders on the perimeter.

Allmond, a 6-1 transfer from Howard College, set a school record with 99 treys to rank No. 14 in the nation in three point shooting last year. He scored in double figures in 24 of 30 games including 14 performances of 20 or more points.

Mitchell, a 5-11 three-year letterman from New Orleans, became the fifth point guard under Marlin to lead the Southland and rank in the top 10 nationally in assists. Mitchell ended the season No. 5 in the NCAA with 6.8 assists per game. He also added 12.5 points per contest.

Allmond was a first team All-Southland Conference selection and Mitchell was named to the second team last year. Both are 2010 preseason All-SLC first team picks.

"Roommates off the floor, Corey and Ashton work well together and give us one of the best back court combos we've had here at Sam Houston," Marlin said. "Both are true competitors. They give us a nice weapon."

**THIRD STARTER, TOP RESERVES ALSO RETURN**

The third returning starter is Preston Brown, 6-6 senior forward who averaged 9.9 points and 4.9 rebounds last year as a transfer from Cowley County. He scored in double figures in 10 games last season.

"Preston is a good offensive player and rebounder and is strong defensively," Marlin said. "He is an unselfish player who puts the team first. He is capable of a breakout year."

Three other returning players saw extensive playing time as front line reserves.

Lance Pevehouse ranked as the team's fourth-leading scorer (9.1 points per game) and stood second on the team with 50 three point baskets. The 6-2 transfer from San Jacinto College scored in double figures in 11 games including a 23-point performance at Texas-El Paso.

Drae Murray averaged 13.8 minutes per contest as a true freshman in 2009. He totaled 64 assists and scored 5.9 points per game as Mitchell's backup at point guard.

Josten Crow, a 6-4 two-year letterman, is one of the Bearkats' top defenders. Missing the first eight games of the season due to an injury, Crow bounced back to total more than 16 minutes a game in Southland action.

"Lance is a good shooter who gives us another scoring threat in the back court," Marlin said. "Josten is a versatile player who is an excellent defender and rebounder. He was playing his best at the end of last season. Drae had a solid freshman year in 2009. A smart player, he really gives us a boost off the bench."

Returning lettermen 6-8 Arthur Zulu and 6-7 Antuan Bootle plus red-shirt 6-7 Marco Cooper (a transfer from Delaware) bring the Kats additional depth at the post position.

**KATS MUST REPLACE TOP REBOUNDERS**

The Bearkats lost two starters from the 2009 squad.

Barkley Falkner, a 6-8 center, averaged 8.7 points and 8.1 rebounds per game. Falkner was an All-Southland honorable mention selection. He also was named Southland Conference men's basketball "Student-Athlete of the Year."

DeLuis Ramirez, a 6-4 forward, produced 8.1 points and 5.5 rebounds per game.

To bolster Sam Houston's inside game, Marlin and his staff recruited two junior college transfers and a pair of high school seniors.

Trevon Charles, a 6-5 forward, earned All-Western Junior College Athletic Conference honors at Western Texas College. He led his team to a 20-10 record and the school's first appearance in the NJCAA Region V tournament in 29 years.

Gilberto Clavell, a 6-7 forward from Collin County Community College, averaged 16.1 points and 6.5 rebounds on a 27-5 team in 2009. A good scorer and defender, he was named North Texas Junior College Athletic Conference Co-Defensive Player of the year.

Kelly Lawson, 6-8 freshman, earned All-District 22-5A honors after leading Pearland to a 22-10 record and the state playoffs his senior season.

Aaron Thompson, a 6-9 freshman, was All-State and two-time District 5-3A "Defensive Player of the Year" on Burkburnett teams that put together a 60-12 record the past two years and reached the Texas Class 3A state finals in 2008.

"We return quality and experienced players," Marlin said. "Someone is going to have to step up and get rebounds to complete the puzzle. Last year's team improved from 10th in the Southland in three point shooting to second and from ninth in the league at the free throw line to fourth. Continuing that kind of improvement this year along with better defense will be important to our development as a team."

**BEARKATS FACE DEMANDING NON-CONFERENCE SCHEDULE**

To prepare for league action, the Bearkats face another strong preconference schedule. Sam Houston has produced a 68-47 non-conference record during Marlin's tenure. That includes two wins over Texas Tech along with victories over Baylor, Missouri, Nebraska, New Mexico State, Houston, Central Florida, Wright State, Montana State, Fresno State, Saint Louis, Chattanooga and Bradley.

This season the Bearkats face Kentucky, Oral Roberts, Auburn, Wright State, Cleveland State and Western Michigan before opening league play.

"Our goal in our non-league portion of the schedule is to put our players in situations that will help them improve to be ready for the Southland, Conference" Marlin said. "Top to bottom, the Southland is an extremely competitive league with good players and coaches throughout the conference. We're expecting another extremely competitive race this year."

**SAM HOUSTON HAS POSTED IMPRESSIVE NON-CONFERENCE WINS UNDER MARLIN**

Since Bob Marlin became Sam Houston head coach in 1998-99, the Bearkats have produced a 70-47 record against non-Southland Conference competition - the best non-conference mark in the league in those 12 seasons.

Sam Houston has played -- and defeated -- such top teams as Missouri, Texas Tech, Nebraska, Baylor, Houston, New Mexico State, Fresno State, Wisconsin-Milwaukee, Central Florida, Saint Louis and Loyola-Marymount.

The Bearkats have appeared in the NCAA Tournament, the Preseason NIT (reaching the quarterfinals in November, 2005) and ESPN Bracket Busters.

**BEARKATS ARE 2-0 TO START 2009-10 SEASON**

The Bearkats have tipped off the 2009-10 season with a pair of home victories over NCAA Division III opponents. Sam Houston defeated LeTourneau 73-42 and Texas College 91-54.

A key concern coming into the young season was defense and Sam Houston has looked strong in that area. The Kats have held their two opponents to a .272 shooting mean, are out-scoring their foes 82.0 to 48.0 points per game and have dominated on the boards 90 rebounds to 65.

Junior transfer center Gilberto Clavell leads the team in scoring with 15.0 points per game. Also scoring in double figures are guards Corey Allmond (14.0) and Ashton Mitchell (10.0).

Offensively, Sam Houston is hitting .515 from the floor (67 of 130).

**SAM HOUSTON VS. THE SOUTHEASTERN CONFERENCE**

The Bearkats are 0-11 against the Southeastern Conference. This is their first meeting with Kentucky.

**Q&A WITH SAM HOUSTON MEN'S BASKETBALL COACH BOB MARLIN**

QUESTION: There's a lot of excitement about the men's basketball team this year. What's the attitude of the team coming into the season?

BOB MARLIN: We've got an experienced group back with all four of our guards returning. After losing the opening Southland Conference game to SFA by two points, we won 12 of next 15 games to finish really strong. We were picked to finish third in the division in the preseason poll last year and won the division.

We got upset in the first round of the tournament and that did not settle well with these guys. They want to have another good season this year and have a better result in the tournament and getting to the NCAA tournament.

QUESTION: How have the early practices gone for the team?

BOB MARLIN: Practices have been good and competitive with good guard play.

We lost Barkley Falkner, the "Student-Athlete of the Year" in the Southland Conference last season - the third year in a row for a Bearkat to win that honor. Barkley also was the leading rebounder in the Southland. We have to get an inside guy to take over Barkley's role.

Antuan Bootle has really worked hard during the off-season and has picked up his game. Gilberto Clavell, a junior college transfer, gives us added punch. He is picking up the system quickly. We have two new freshmen Kelly Lawson and Aaron Thompson who continue to improve. Preston Brown is back at 100 per cent after some health problems last season. Arthur Zulu is playing better than ever as well.

If we can keep everybody healthy especially our frontline, then we have a chance to accomplish a lot.

QUESTION: Ashton Mitchell and Corey Allmond give you one of the top backcourt duos in the Southland Conference. What do they do to complement each other in your attack?

BOB MARLIN: Ashton and Corey are roommates. They're close off the court as well as on.

Ashton is a very good ball handler. In my 28 years in basketball, Ashton Mitchell is the most athletic point guard I've coached. He is a hard worker on the court and off. He earned his college degree in three years and is working now on a second major.

Ashton is the passer and the facilitator. Corey is the shooter. He set a school record with 99 three point baskets and ranked in the top 15 in three point shooting in the nation last year. Even though they are short in stature, Ashton and Corey are very good in what they bring to the table. I feel good about what they have accomplished and what they will accomplish this season

QUESTION: What area do you believe the team must improve upon to succeed this year?

BOB MARLIN: We were not as good defensively last year as most of our past teams. Two years ago we had an outstanding defense but couldn't score. Last year, we put a lot of points on the board but we were not consistent defensively.

Our players realize this and they have worked hard to improve their defensive skills. If we're going to play into March, we're going to have to get better defensively.

QUESTION: You face a very challenging non-conference schedule in November and December. How is this going to help your team?

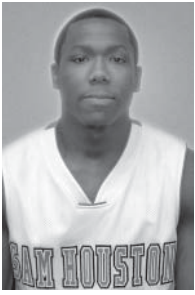

BOB MARLIN: Our non-conference schedule is tough but it will help prepare us for the Southland league and tournament play. Playing at Kentucky at Rupp Arena is truly an exciting experience. I know the team is looking forward to it. We also play at Auburn, Wright State and Cleveland State and have Florida International and Louisiana-Lafayette coming to Huntsville. It's a schedule that is going to make us a better team.

QUESTION: Another highlight of your schedule will be a trip to Cancun, Mexico for the Cancun Classic. Are your players looking forward to that trip?

BOB MARLIN: We have a very close group of young men on our team. A visit to a first event like the Cancun Classic will be a special opportunity to come together as a unit. That kind of team chemistry has been one of our team strengths over the years. These guys work hard together and are an unselfish group. They'll have fun.

# Bob Marlin

Sam Houston State University  
Head Men's Basketball Coach

Sam Houston head men's basketball coach Bob Marlin has directed the Bearkats to more victories than any other Southland Conference team during his 11 years heading the Kat program.

Marlin is the second man in the history of the Southland to total 200 victories as a head coach in the SLC.

Since 2000, only one of the 20 NCAA Division I men's basketball teams in Texas (the UT Longhorns) has won more games than Sam Houston.

Inheriting a program that had not finished higher than sixth in the league and posted only two double digit victory seasons in more than a decade, Marlin has directed the Kats to five 20-plus victory seasons (and double digit wins in each of his 10 years as head coach. Sam Houston State stands as one of only three teams in Southland Conference history to put three or more 20-plus victory seasons back-to-back.

Twice Marlin has earned Southland Conference "Coach of the Year" honors - in 2000 after directing the Kats to their first Southland Conference championship and in 2003 after Sam Houston's second title in four years. In 15 seasons as a head coach, Marlin has produced a record of 305 victories and 145 losses. He rolled up a 123-35 record as head coach at Pensacola Junior College. In 1993, he was National Junior College "Coach of the Year" after directing Pensacola to the NJCAA National Championship. Marlin has served as an assistant coach at Alabama, Marshall, Houston Baptist, and Louisiana-Monroe.

Since Marlin took over the Sam Houston program, the Bearkats have produced more non-conference inter-sectional victories than any other Southland Conference team.

During Sam Houston's 10-0 start in 2007-08, Sam Houston received votes in the Associated Press national top 25 for the first time since the Kats moved up to the NCAA Division I level.

Marlin received National Junior College Athletic Association (NJCAA) "Coach of the Year" honors in 1993 following Pensacola's national title (the first ever for a Florida junior college). He won 100 games at Pensacola faster than any coach in school history. Twenty-seven of his players at Pensacola received scholarships to play at four-year schools. Marlin was inducted into the Florida Junior College Hall of Fame in March, 2007.

As a head coach, Marlin has coached an NBA draft pick, one NJCAA National Player of the Year, one NJCAA Student-Athlete of the Year, two Southland Conference "Players of the Year," two SLC "Newcomers of the Year," one SLC "Freshman of the Year," one SLC "Student Athlete of the Year," four All-Americans, 31 All-Conference selections, four Academic All-Americans, and 27 Academic All-Conference student-athletes.

Born in Tupelo, MS, Marlin received his Bachelor of Science degree in Physical Education from Mississippi State in 1981. He earned his Masters in Health and Physical Education (with a minor in guidance and counseling) from Northeast Louisiana in 1983. He has a son, Matt.
