Each year over 3,000 children in the U.S. are diagnosed with brain tumors. Brain tumors have surpassed Leukemia as the number one cancer causing death among children. Lauren's First and Goal is a 501c3 charitable organization created to raise funds to support pediatric brain tumor research, support local pediatric cancer services, provide financial assistance to families living with a pediatric cancer diagnosis and to raise public awareness regarding pediatric brain tumors. The camp is named in honor of 11-year-old brain tumor survivor, Lauren Loose. Lauren was diagnosed with multiple brain tumors at age two.
